Students may choose from foundational college preparatory classes, honors classes, AP classes, or a mix of all three as they chart a path that meets their needs and goals. Additional elective offerings are available to further support personal growth and development. All courses meet or exceed the content and rigor of the recommended high school program as outlined in 19 Texas Administrative Code §§ 74.63

DEVELOPING LEADERS FOR THE FUTURE

Our Upper School provides students opportunities to develop and grow their leadership abilities through student-led clubs, community service projects, athletics, the performing arts, and classroom engagement. Each of these opportunities comes together to foster well-rounded individuals, with a comprehensive approach to learning. We nurture the whole student - mind, body, and spirit.
