Thank you for your support!

Ways to get Involved!

Mentor Opportunities

Being a Potato Hug Mentor helps to build a collaboration between ag related businesses/organizations and students. You have a chance to empower our students toward greater projects and entrepreneurialism by sharing your expertise. We are looking for adult mentors to interact with and mentor our students on Hug day. Businesses/organizations will have a booth to share their ag knowledge with the public. These are meant to be educational and not monetary booths.

Sponsorship Opportunities

Potato Hug Sponsorships will fund scholarships for students to attend the National FFA Convention, Scholarships for AFSA schools O-term and J-term, and Membership in the AET program (All AFSA students track their FFA, academic, community, and extracurricular

How to join the AFSA FFA Alumni

We invite all parents, grandparents, AFSA alumni, community businesses, and other interested community members to be a member of the FFA Alumni. You do not need to have been an FFA member as a student. The only requirement is that you simply wish to support our student FFA Chapter. If you know someone interested in becoming a part of the FFA Alumni please contact the AFSA FFA Alumni.

The Academy for Sciences & Agriculture (AFSA) is a science and agriculture based, PreK-12th grade charter school with locations in Vadnais Heights and Little Canada. AFSA serves over 450 students coming from more than 24 school districts in the metropolitan area.

All students at AFSA (7th-12th grade) are members of the FFA. Our FFA Chapter is one of the largest chapters in the state of Minnesota. The FFA is the largest youth led organization in the United States with 600,000+ members. The FFA provides a path to achievement in premier leadership, personal growth and career success through agricultural education.

This year marks the 12th Annual Potato Hug. The Hug is a showcase of student projects, school offerings, and community involvement. This event provides students with a venue to display their FFA Supervised Agricultural Experience (SAE) projects. Students design an entrepreneurial experience, research project, exploratory project, internship, or service type activity. Each project is an opportunity for students to demonstrate professionalism, develop entrepreneurial skills, and showcase their hard work.

Not only does the Potato Hug benefit our students by creating an event for their SAE's but it also creates an opportunity for collaboration between ag related businesses and student vendors. These business mentors have empowered our students toward greater projects and entrepreneurialism. Since The Potato Hug is our major fundraiser of the year, we would like to invite you to join us with your sponsorship or by becoming a mentor.
