

Meet the Counselor

Ms. Bocage

About Me

My name is Mary W. Bocage, and I am the School Counselor at Cypress Grove Montessori Academy. I am honored to be back with the CGMA family for the 25-26 school year. Together we will continue to build on setting the stage for success! In addition, I have worked in education for over 10 years serving in various roles. I earned a Bachelor of Science in Information Technology from the University of Phoenix and a Master of Science in School Counseling from Southeastern Louisiana University. I am a member of the American School Counselor Association and the Louisiana Counseling Association.

My Role

I am committed to encouraging, supporting, and empowering our students to become their best selves. My primary task is to help ALL students become better learners by providing a comprehensive school counseling program that satisfies their academic, social/emotional, and career development needs. I provide individual, small group, and grade level classroom lessons. Confidentiality is honored unless a student plans to hurt themselves, someone else, or if he or she is the subject of abuse. In addition, I will be working jointly with parents and staff organizing school events to meet the needs of CGMA. I look forward to a great school year and meeting the great parents and students of our CGMA community! Please feel free to reach out with any questions or concerns. Enjoy your year!
