IMPACT REPORT

FISCAL YEAR 2024-25

We invite our students to take advantage of the many opportunities offered to develop a relationship with Jesus. We are blessed that several current students and two Aquinas alumni accepted the invitation to join the Catholic church this spring.

We are excited to announce that our new track and multipurpose room are complete, and the new Fine & Performing Arts classrooms were in full use this Spring.

All of this has been possible because of you - our generous supporters, faithful families, and dedicated alumni. I want to express my gratitude. Your belief in the mission of Catholic education has a daily impact on the lives of our students.

Thank you for walking with us in this shared mission. Together, we are building a community where we are ALL called to be Saints and where each student is inspired to rise to that call.

May God bless you,

Brian Schenck

As we reflect on the 2024-2025 school year, we do so with hearts full of gratitude and purpose. The understanding that we are ALL called to be Saints is at the heart of our faith formation. This profound truth has guided every aspect of our school year and has been brought to life through a renewed emphasis on the Cardinal Virtues: prudence, justice, fortitude, and temperance. These virtues are not just concepts we teach, they are habits we seek to cultivate in each student as they grow into men and women of faith and character.
