

Dear Parents/Guardians and Students,

Williamsville is pleased to continue to offer the New York State Seal of Civic Readiness Program. The Seal of Civic Readiness is a formal recognition that a student has attained a high level of proficiency in terms of civic knowledge, civic skills, civic mindset, and civic experiences. Through civic education, students learn how to identify and address problems in their school and community. Students also learn how to demonstrate respect for the rights of others, respectfully disagree with other viewpoints, and provide evidence for a counterargument. Civic education can strengthen the relationships of schools and students with parents, families, civic leaders, organizations, and community partners. The Seal of Civic Readiness distinction on a high school transcript and diploma:

- shows the student's understanding of a commitment to participatory government; civic responsibility and civic values;
- demonstrates to universities, colleges, and future employers that the student has engaged in meaningful civic experiential learning; and
- recognizes the value of civic engagement and scholarship.

In addition to completing all of the requirements for graduating with a NYS local or Regents diploma, students wishing to receive the NYS Seal of Civic Readiness must also earn a total of 6 points (at least 2 points from the Civic Knowledge column and at least 2 points from the Civic Participation column). Please see the NYSED criteria as described below:
