2024-2025 Strategic Goals

We will serve *all* of our students by focusing on the following goals within a comprehensive and coherent PK-12 framework.

1. *Foster a culture of academic excellence, innovation, and equity, where students are provided with personalized learning experiences, rigorous curriculum, and supportive resources to achieve their full potential.*
2. *Cultivate the wellness of the WTPS community through intentional programming and supports focused on the physical, social, emotional, behavioral, and technological development of students, staff, and parents/guardians.*
3. *Strengthen engagement and expand opportunities that foster a sense of belonging and purpose through inclusive experiences that promote positive peer and community relationship.*
4. *Practice fiscal responsibility while maintaining facilities for student learning in the 21st century, which includes clear and accurate reporting to the stakeholders.*
5. *Cultivate timely, consistent, effective, and equitable communications through reciprocal collaboration with all stakeholders to inform and inspire the District and greater community.*
