

LATE WORK PROCEDURE 2025-2026

LATE WORK PROCEDURE:

- It is always our expectation that students complete and turn in all assignments within the timeline set by the teacher.
- **5 points** will be deducted from the grade each day the assignment is not turned in for a maximum of 20 points (4 days late).
- Assignments that are not turned in at all by students are marked with a “Z” in the gradebook. A “Z” will be calculated as a zero at the end of the marking period if not turned in.
- Late work will not qualify for a Retest/Redo opportunity.
