

## Keller Middle School Supplies Information

Pack light on the first day! You should only need a notebook, something to write with and your charged laptop. At some point, you should be receiving an email from your child's teachers with more information about additional supplies needed. Below you will find a list of general supplies needed. Keep excess at home to replenish throughout the year.

### General Supplies

### Community Supplies

The following community supplies are requested to help with supplying classes with items they need throughout the year. These will be collected and distributed to teachers as needed through the PALS student leadership program. These can be delivered to the front office or to advisory classes sometime after the first day of school. Please pack light on the first day!
