REMINDERS:

- 1). The online calendar locks 24 hours prior to the clinic beginning. If your clinic begins at 8:00 AM on May 7th then the online calendar will lock at 8:00 AM on May 6th. This allows us time to adjust staffing if needed.
- 2). If you do not make an appointment using the online calendar, you will be seen on a first come first served basis depending on time availability. **WE STAFF OUR CLINICS BASED ON THE APPOINTMENT LIST FROM THE ONLINE CALENDAR.** Therefore, if you do not schedule an appointment, you are not guaranteed to be seen that day.
- 3). You must make an appointment for yourself and for your spouse separately. Follow the steps for scheduling an appointment once for yourself and then again for your spouse. If you follow these steps one time, then only one appointment will show up on our appointment list.
- 4). If you plan to attend a clinic at a location you do not work at, please contact that school to make sure they will allow you to attend their scheduled clinic.
- 5). If you sign up for reminders/notifications, you will receive a message 3 days prior to the clinic and the day of the clinic.
