CAMPUS

Our team of professional educators is dedicated to developing a lifelong passion for learning, and teaching students to think while nurturing their varied interests and skills. We integrate technology in the classroom today to prepare students for the challenges of tomorrow.

Individual talents and valuable life skills are enriched through our athletic, fine arts, and extracurricular programs.

Academic rigor, innovative teaching, mentorships, teamwork, and high expectations for all students truly create an ideal educational environment.

COMMUNITY

Willis ISD is a rapidly growing K-12 school system that supports all students, each and every day. We honor small-town values and traditions. Our district works with the community to develop personal connections with students and families. Together, we are focused on preparing our students to live and work successfully in the global community of the 21st century.
