WELCOME TO JUNIPER ELEMENTARY SCHOOL

On behalf of the Juniper Elementary School faculty and staff, it is my pleasure to welcome you to the 2025-2026 school year. Whether you are returning, or this is your first year at Juniper Elementary School, we are excited to connect with you and your student so that we can support the needs and goals of all of our learners. The start of the school year has always been an exciting time of the year. With it comes the opportunity to set new goals, build new relationships, and develop habits which will lead to both personal and academic success.

Our goal is to establish a culture and climate that fosters positive relationships and partnerships with parents, students, staff, and the community. As a school we work to prepare all students for college and career by adopting the Six Exceptional Systems of our No Excuses University.

- Culture of Universal Achievement
- Collaboration
- Standards Alignment
- Assessment
- Data Management
- Interventions

In addition to being a No Excuses University this year Juniper will be entering our second year of AVID Elementary in grades 3-5. AVID Elementary is a foundational component of AVID College Readiness Systems and Supports AVID's mission to provide comprehensive model of success for students elementary through college.

The purpose of this handbook is to provide you with information on school policies, procedures and information to aid you in preparing your child for school. Please take a moment to review this handbook with your child, to make this a great year.

With your continued support and involvement, we will be able to maintain a nurturing and safe learning environment in which students can thrive. I look forward to an amazing year. If you have any questions, please stop by the office to discuss any concerns or comments that you may have or call me at (909) 357-5480.

Sincerely,

Monique Martinez

SCHOOL POLICY AND PROCEDURES

GENERAL NOTICES:

School Hours

The school campus is open to students at 7:15a.m. for breakfast and beginning 7:30a.m., supervision on the playground is provided for students in grades 1-5 and in the cafeteria for TK/Kindergarten students. Students grades 1-5 will participate in morning “walk and talk”, where students will walk the perimeter of the playground while chatting with peers. Students will line up in preparation for school at 7:40 a.m. Instruction begins at 7:45 a.m. All entry gates will be locked promptly at 7:45 a.m. Students arriving late to school must enter through the front office. Children may not leave the school grounds during the school day without parent/guardian accompaniment and the approval of the school. The end of the school day is 2:20 p.m. (11:50 p.m. Wednesdays), at which time students are expected to go directly home. Students should not go home with a friend without the parent/guardian’s knowledge. If there is a change in your child’s pick-up schedule, please communicate that to your child before they arrive at school that morning, as we are not permitted to communicate such telephone messages to students. There is no way to verify the identity of the caller and we will not place students in a potentially unsafe situation. Should you have an emergency and will need to communicate a change in dismissal routines to your child, please come to the front office so that our staff can assist you.

ATTENDANCE PROCEDURES:

Absences

Students are expected to be in their seats and ready to learn at 7:45 a.m. everyday. In the event that your child will be absent, please telephone the school office at (909) 357-5480 to report the absence. Should your child be ill, it is recommended that you submit a doctor’s note to the front office to excuse the absence. Please note that a student is considered chronically absent from school when he/she is absent for ten percent or more of the days since enrollment. Chronic absenteeism has a negative impact on a child’s education. **Chronic absenteeism will result in a SARB (School Attendance Review Board) referral.**

Tardies

Students who are tardy must report to the Attendance Clerk in the front office. Parents should be aware that if a student is tardy in excess of thirty minutes on three or more days during the school year, and such tardiness is not excused, it shall be classified as a truancy and shall be reported to the Department of Child Welfare and Attendance and to the parent. **Continuous tardies may result in a SARB (School Attendance Review Board) referral.**

Early Dismissal

Students who leave the school before the regular dismissal time of 2:20 p.m. (11:50 a.m. Wednesdays) must be checked out through the office with proper parent/guardian identification. We will not dismiss a child early by a telephone call. In addition, students will not be dismissed 10 minutes before the end of the instructional day, unless it is an emergency. Please schedule appointments during off-track time or on Wednesday afternoons. Early dismissal will be noted in the student’s attendance record.

Independent Study

If your child is going to be absent for two days or longer for reasons other than illness, please inquire about an Independent Study plan. Students will receive classroom work that must be completed and submitted upon returning to school. Students will be credited for absences if the assigned work is completed in its entirety.

Saturday School

Students are given the opportunity to make up absences during Saturday School and still qualify for perfect attendance recognition. However, please understand that the Saturday School curriculum is not intended to replace instruction in the regular classroom. When students are absent during the regular school day, they miss out on learning critical grade-level concepts and risk falling behind. Absences incurred after spring break are not eligible for recovery.

Perfect Attendance

Perfect means perfect. In other words, students must have zero absences and zero tardies to be recognized as having perfect attendance. Please remember that Independent Study does not qualify for perfect attendance, as the school calendar provides ample opportunities for vacations throughout the year without having to miss school.

BEHAVIOR EXPECTATIONS:

We believe that a safe and orderly campus is essential for learning. It is an expectation that students conduct themselves in a respectful, responsible and safe manner. All students must comply with school rules and be accountable for their conduct.

As a school, we believe that

- All members of the Juniper Elementary School community, including students, parents and staff are responsible for maintaining a safe, secure and productive learning environment for all students.
- We have high expectations for student behavior at Juniper Elementary School. We expect all students to show respect and consideration for other students and staff. We expect all staff to treat students with respect and dignity, and to teach appropriate behavior.

Students in grades K-3 are not allowed to ride bicycles to school under any circumstances.

Beginning in Grade 4, students may ride a bicycle to and from school. Parents must sign a permission slip authorizing students to ride their bicycles. The office will issue the student a bicycle pass once upon receipt of a completed permission slip. The school and the district shall not be held responsible for the safety of students who ride bicycles to and from school. Students who ride bicycles to school shall be required to park them in an area

CAFETERIA SERVICE:

Juniper Elementary School participates in the National Schools Breakfast and Lunch Program. A well-balanced breakfast and lunch will be offered to all students free of charge. State regulations require that students must independently select items, including milk, an entrée, as well as fruit/vegetables. Breakfast/lunch menus are available online at www.fusd.net. Proper conduct is expected and required of all students in the cafeteria. Children who misbehave in the cafeteria are subject to disciplinary measures.

CLASSROOM VISITATION:

You are welcome to visit the school when it is in session. However, it is necessary to have guidelines so that your visit does not interfere with the education of your child or that of his/her peers. It is customary to contact your child's teacher to establish a mutually convenient time prior to your visit. Be sure to sign in at the front office when you arrive. If you need to conference with the teacher, please schedule an appointment after the visit so the teacher can honor confidentiality and dedicate attention and time address your questions, comments and/or concerns.

DRESS CODE:

All staff members are expected to actively enforce the dress code policy. Violators or possible violators are to be referred to the office. Dress code for students in grades K-12, Article 5, and Section 5326.1 of the Fontana Unified Board Policy states:

CLASSROOM CELEBRATIONS

Classrooms are permitted to have 4 classroom celebrations per year at the discretion of the teacher. All food offered must meet nutritional requirements set forth in the FUSD Wellness policy. In addition, all food offered must be commercially prepared and stable at room temperature unless proper cold/hot temperatures can be maintained.

STUDENT CELEBRATIONS

We know that parents and students are excited to celebrate birthdays with classmates. Please know that we are excited for your student's birthday as well. We have put a policy in place that aligns with our District Food Service Department.

- Birthdays are recognized during the classroom morning announcements; Celebrations may not interfere with the instructional program.
- Food items will not be accepted by families for the purposes of student birthday celebrations. Families are more than welcome to send non-food items to school for celebration purposes if communicated and arranged with teacher. Items will be distributed to the class at the end of the day. If there are not enough items for all students in class items will be returned to the parents.
- Birthday invitations are not permitted to be handed out by students during the school day.

Please email your child's classroom teacher or the school principal, if you have questions or concerns regarding the birthday policy or what is permitted in the classroom.

HEALTH and WELFARE:

Emergency Information

You are urged to keep the *School Emergency Information Card* up-to-date. **Please notify the school immediately when your address or phone number has been changed.** It is of utmost importance that we have your contact information or that of a relative, friend, neighbor, or landlord. If we are unable to reach you in an emergency situation, the police will be notified to assist in getting proper emergency care. No child will be sent

home in the absence of parents. If a medical emergency appears serious in nature, the school will notify 9-1-1 and an ambulance will be called. Parents will assume financial responsibility for this medical assistance.

Health Services

Each school is assigned a permanent Health Clerk who attends to minor injury/illness. A School Nurse is on call for emergencies only. Students are to notify a teacher or staff member immediately should an injury occur. In the event of an injury or sudden illness at school, emergency/first aid treatment will be administered to the child, and the parent/guardian will be notified immediately. Since the school does not have facilities or staff to care for sick children, a child not well enough to participate in the classroom may **not** remain at school (i.e. fever, vomiting). This is not only in the best interests of your child but serves as a protection for other children as well. Parents should make prior arrangements for someone to transport and care for their child if such a situation should arise.

Medications

Parents/Guardians are to notify the health office about serious health concerns and regularly prescribed medication. Legislation prohibits schools from administering medication to students without a medical statement from a physician. In order to administer medication to any child a form, "Administration of Prescribed Medication for Pupil", must be filled out by the child's physician and be on file in the school office. Forms are available upon request. All medications must have a prescription label.

HOMEWORK:

Homework is an important part of the educational program of the Fontana Unified School District. Homework in the elementary years should provide practice, review and/or enrichment of concepts or skills introduced by the classroom teacher. Your child's teacher will provide information for you regarding his/her homework requirements. Parents are encouraged to provide an appropriate space and a quiet time conducive to the completion of homework each evening. When children do not have assigned homework, they should be encouraged to spend a block of time reading and practicing basic math facts (+/-, x/÷).

INCLEMENT WEATHER:

Inclement weather may be called during the school year due to rain, high winds, extreme temperatures, or smog alerts. At such times, the Inclement Weather Schedule will be in effect and students will be kept indoors during recess. Students will be provided the opportunity to use the restroom facilities, drink water, and engage in indoor recess activities.

INSURANCE:

Although Juniper exercises care to prevent accidents, neither the school nor the District can assume responsibility for accidents or injuries to students. Parents are encouraged to carry personal insurance coverage. Insurance coverage information is available through the District's Child Welfare and Attendance office.

INTERNET USE:

As part of the Fontana Unified School District, both students and parents need to understand the nature and implications of Internet usage. District rules and guidelines set forth are to ensure the safety of all students while using the Internet. You may request a complete copy of this policy by calling (909) 357-7600 or visiting FUSD's website at www.fusd.net

LOST AND FOUND:

Please mark student's clothing, such as sweatshirts with your child's name in order to assist us in returning the item to your child. All lost items found on campus will be put in our lost and found located outside the cafeteria. Items not claimed by the end of the year will be given to charity.

PARENT CONFERENCES:

Parent conferences are held for all students during the first semester. Parents/guardians are strongly encouraged to attend. It is critical that everyone work together to best meet the needs of our students. Additional conferences with teachers may be arranged by calling the school at (909) 357-5480. Conferences with the school administration may also be arranged by calling the school office. Protocol is for parents to address questions, comments and/or concerns directly with the teacher prior to requesting intervention from the site administration.

PARENT ORGANIZATIONS AND COMMITTEES:

PTO

Juniper Elementary School has an active Parent Teacher Organization (PTO) that supports a variety of school programs/initiatives. All parents are highly encouraged to get involved with Juniper's PTO. PTO Association meetings are open to the public. Please check in the office for a schedule of meetings.

School Site Council

The Juniper School Site Council includes school community members (parents and school staff) who are elected by their peers to represent their stakeholder group. The council meets several times a year to analyze data, develop the Single Plan for Student Achievement and approve the allocation of school funds. The council is also tasked with evaluating the plan's effectiveness and to recommend actions to ensure all students' needs are being met. School Site Council meetings are open to the entire school community. It is vital that we have parent involvement and participation. We encourage any interested parents to join us.

English Learners Advisory Committee (ELAC)

This committee is composed of parents and school staff. The committee advises and assists in planning an appropriate educational program to meet the needs of students with limited English proficiency. The committee also serves as a liaison between the school and the parent community.

Volunteers

Volunteers are very much wanted and appreciated. Juniper Elementary School needs family and community members to volunteer in the classrooms, library, on field trips, etc. Volunteers may help students with their academic subjects, enrichment activities or make educational games/instructional materials for classroom use. A volunteer may have special talents that will supplement the school curriculum and enrich our instructional program. Please contact your child's teacher or the office if you are interested in volunteering your services. We welcome you to share your talents and expertise with us. Please note that FUSD requires that all volunteers must be screened prior to volunteering in the school. The school office can provide interested volunteers with the appropriate paperwork to initiate the process. Additionally, site guidelines have been established to honor our learning environment:

1. Please sign in and out at the office anytime you are volunteering and obtain a visitor's badge.
2. Volunteers must be under the direct supervision of a credentialed teacher when in contact with children.
3. Please avoid questions or discussions about your child while volunteering in the classroom.
4. Small children are not allowed to accompany parents while volunteering at school.
5. Parents and Family members who volunteer throughout the year will be given priority for end of the year fieldtrips.

REPORT CARDS/PROGRESS REPORTS:

Parents are notified of their student's academic progress four times each year, offering parents one progress report and one report card each semester. Progress and report cards can be accessed online via Q-Parent Connect. In the event that you have moved, please update your address in the front office. This is a current reflection of your child's academics, behavior, and attendance. Should you have questions or concerns about your child's progress, please schedule a conference with the classroom teacher.

SCHOOL SAFETY:

Campus Security Surveillance

There are strategically placed surveillance cameras on school grounds. Cameras are monitored by school police and district/site administration. Signs are posted informing the public that the school is monitored using cameras.

Disaster Preparedness

Each school in Fontana Unified School District is required to have a disaster plan in readiness in the event of a major emergency such as an earthquake, flood, fire, chemical spill, etc. Students would remain at school and would be released only to a parent or other persons listed on the registration card. Each year, the school sends home a registration form asking parents to update and list the persons allowed to pick up their children. Be sure you return this information to school. It is imperative that you notify the office when changes are made to your phone numbers or emergency contacts. In the event of an actual emergency, your child will only be released to an individual (s) listed as emergency contacts.

Dismissal

All grade levels have designated dismissal gates. Parents must pick up each student at their designated dismissal gates, as all students will be dismissed by their classroom teachers. This is to ensure the safety of all students. Parent cooperation and understanding is expected.

Lockdowns

In the event of police activity in the local community or on school grounds, school police and site administration will call a lockdown. In the event of an actual lockdown, students and staff will take immediate action to guard against harm. The school police, working in conjunction with local law enforcement, will secure the perimeter of the school and assume responsibility for communicating with the public regarding the status of the lockdown **once it is safe to do so**. The school will not disseminate information to the public during or after the lockdown situation; the school police department will provide parents and the community with relevant information. Please direct all questions or concerns to the Fontana Unified School District Police Department.

Safety Drills

Throughout the course of the year, safety drills are scheduled and practiced on a monthly basis in conjunction with school police. Staff and students are trained to respond in the event of a natural disaster, fire, or an armed intruder. It is imperative that everyone understands the necessary and timely procedures should we be placed in a compromised situation.

Visitors

Juniper Elementary School is a closed campus. Visitors must check in at the office and be granted authorization to be on school premises. All visitors must wear a visitor's badge that is visible to staff and students. It is the expectation that all visitors go directly to the location to which they have requested access. Unauthorized visitors or those in violation of stated expectations are subject to consequences set forth by local law enforcement agencies.

STUDENT RECOGNITION:

Students are recognized throughout the year for achievement in academics, attendance, and behavior. Awards assemblies are held at the end of each semester to recognize students for their academic efforts. Students who have shown outstanding behavior and those who have perfect attendance are recognized on a daily/monthly basis.

TEACHER QUALIFICATIONS:

Your child is attending a school that receives Title I federal funds through the Elementary and Secondary Education Act (ESEA). This Federal law requires that parents be notified of their right to know the professional qualifications of their child's teacher(s) in core academic subject areas, including the following:

1. The type of state credential or license that the teacher holds.
2. The education level and subject area of the teacher's college degree(s).

In addition, if a paraprofessional (teacher's aide) provides services to your child, you may also request information about his or her qualifications. Many paraprofessionals have two years of college, and others have passed a test that verifies their qualifications.

If you would like this information, please contact the school office at **(909) 357-5480**.

SCHOOL PROGRAMS AND SERVICES

COUNSELING:

Students have access to the School Counselor throughout the school day. Parents are welcome to request school counseling services for their child by contacting the office and requesting to speak with the School Counselor.

GIFTED AND TALENTED EDUCATION (GATE):

Students who have been identified as Gifted and Talented will receive specialized instruction to meet their individualized needs. This will include differentiated instruction in their classrooms and enrichment activities (site and district endorsed). FUSD is committed to offering parents the opportunity to learn about GATE through district advisory meetings and conferences.

LIBRARY:

Juniper Elementary School has a library which is an integral part of our student's instructional program. It is staffed with a full-time Library Specialist. The library is a friendly place for students and faculty to study, locate materials, do research and read for pleasure. The library is open to students before and after school in addition to their regularly scheduled library period. It is also available on a limited basis during recess and lunch periods.

NO EXCUSES UNIVERSITY:

Our mission is to ensure students are college and career ready. Upon entering our campus, you will notice the presence of college symbolism. This is a deliberate effort to instill the value of education in our students. To support our goal, we recognize that we must organize our efforts to promote positive academic, social/emotional and behavioral outcomes. Our work must focus on implementing exceptional systems that are:

- Unique solutions to important challenges.
- Created through a formal and highly collaborative process.
- Documented and reviewed annually.

POSITIVE BEHAVIORAL INTERVENTIONS AND SUPPORTS (PBIS):

One of the foremost advances in school-wide discipline is the emphasis on school-wide systems of support that include proactive strategies for defining, teaching, and supporting appropriate student behaviors to create positive school environments. Instead of using a piecemeal approach of individual behavioral management plans, a

continuum of positive behavior support for all students within a school is implemented in areas including the classroom and non-classroom settings (such as hallways, cafeteria and restrooms). Positive behavior support is an application of a behaviorally-based systems approach to enhance the capacity of schools, families, and communities to design effective environments that improve the link between research-validated practices and the environments in which teaching and learning occurs. Attention is focused on creating and sustaining Tier 1 supports (universal), Tier 2 supports (targeted group), and Tier 3 supports (individual) systems of support that improve lifestyle results (personal, health, social, family, work, recreation) for all children and youth by making targeted behaviors less effective, efficient, and relevant, and desired behavior more functional.

SPECIAL EDUCATION:

The Resource Specialist Program (RSP) and Designated Instructional Services (DIS) - Speech and Language programs provide support to students who meet specific criteria as defined in the Individuals with Disabilities Education Act (IDEA). Questions about Special Education Services may be directed to the School Psychologist, Resource Specialist, Principal, or Assistant Principal.

STUDENT INTERVENTION TEAM:

The SIT is a group of teachers and support providers who meet regularly to review the academic, social/emotional and behavioral progress of students who are referred by teachers or parents. The SIT makes recommendations for program modifications and/or interventions. Whenever a student is referred to SIT, the teacher completes an extensive report on the student's progress and presents it to the team. Parents and students are invited to SIT meetings to provide input and to participate in the intervention process. Students who are not meeting grade level standards will be provided intervention within the school day.

STUDENT LEADERSHIP TEAM:

Students in grades 4-5 are nominated to represent their peers on our Student Leadership Team. Students are responsible for developing, assisting and supporting various school programs and events including, but not limited to school spirit days and Read Across America. They also serve as student ambassadors, greeting visitor to our campus and welcoming new students to our school.

SUPPLEMENTAL ONLINE PROGRAMS:

Accelerated Reader is an example of a computer-based reading and goal setting program supported by the school site. Additional web-based instructional software may be available for your child through the www.fusd.net Student Portal. These programs can be accessed from a home or library computer with a username and password. Please see your child's classroom teacher for usernames and passwords.

TITLE I PROGRAM:

All students will be offered intervention/acceleration based on their individual learning needs four times per week. In addition to the core instructional program (Tier 1), the master schedule delineates a designated time during which differentiated instruction will be delivered by grade level teachers (Tier 2), Learning Center Staff (Tier 3), and Resource Specialist (Special Education). During the intervention block, students will be grouped strategically to address literacy and numeracy needs. It is expected that students will be offered an alternative to core instruction and will be progress monitored bi-weekly to ensure mastery of learning objectives. Student groupings are intended to be flexible and allow students to enter/exit learning groups based on their individual performance.

In the event that students are not making adequate progress toward goals within Tier 1 and Tier 2 settings, they are referred to the Learning Center for intensive intervention once SIT (Student Intervention Team) 1 and 2 plans have been developed by the grade level outlining interventions provided and documented outcomes of those actions.

Within the Learning Center, at-risk students are offered daily targeted support and are progress monitored weekly. In the event that students are not making adequate progress toward goals in the Learning Center, they are referred to the Problem Solving Team. The team consists of the site SIT coordinator, Learning Center staff, Speech and Language Pathologist, School Psychologist, and Administration. The team brainstorms and recommends response pathways: alternative interventions/monitoring, additional interventions/monitoring, referral to our SERT (Special Education Review Team) for assessment.

Title I Programs require stakeholders to sign a Home-School Compact that delineates the roles and responsibilities each has in supporting student achievement. Juniper Elementary School reviews our Home-School Compact at our annual Back-to-School Night.

VISUAL AND PERFORMING ARTS:

All students at Juniper Elementary Art are involved in the Visual and Performing Arts. As part of their core curriculum, students participate in weekly dance instruction and showcase their work in an end-of-year dance jubilee. In addition, students are offered the opportunity to engage in after school opportunities, whereby they will be introduced to various aspects of the Visual and Performing Arts, throughout the year.

FUSD POLICY AND PROCEDURES

AR 5145.71 TITLE IX SEXUAL HARASSMENT COMPLAINT PROCEDURES:

Title IX Sexual Harassment Complaint Procedures

AR 5145.71

Students

The complaint procedures described in this administrative regulation shall be used to address any complaint governed by Title IX of the Education Amendments of 1972 alleging that a student, while in an education program or activity in which a district school exercises substantial control over the context and respondent, was subjected to one or more of the following forms of sexual harassment: (34 CFR 106.30, 106.44)

1. A district employee conditioning the provision of a district aid, benefit, or service on the student's participation in unwelcome sexual conduct
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a student equal access to the district's education program or activity
3. Sexual assault, dating violence, domestic violence, or stalking as defined in 20 USC 1092 or 34 USC 12291

All other sexual harassment complaints or allegations brought by or on behalf of students shall be investigated and resolved in accordance with BP/AR 1312.3 – Uniform Complaint Procedures. The determination of whether the allegations meet the definition of sexual harassment under Title IX shall be made by the district's Title IX Coordinator.

Because the complainant has a right to pursue a complaint under BP/AR 1312.3 for any allegation that is dismissed or denied under the Title IX complaint procedure, the Title IX Coordinator shall ensure that all requirements and timelines for BP/AR 1312.3 are concurrently met while implementing the Title IX procedure.

Reporting Allegations/Filing a Formal Complaint

A student who is the alleged victim of sexual harassment or the student's parent/guardian may submit a report of sexual harassment to the district's Title IX Coordinator using the contact information listed in AR 5145.7 – Sexual Harassment or to any other available school employee, who shall forward the report to the Title IX Coordinator within one day of receiving the report.

Upon receiving such a report, the Title IX Coordinator shall inform the complainant of the right to file a formal complaint and the process for filing a formal complaint. (34 CFR 106.44)

A formal complaint, with the complainant's physical or digital signature, may be filed with the Title IX Coordinator in person, by mail, by email, or by any other method authorized by the district. (34 CFR 106.30)

Even if the alleged victim chooses not to file a formal complaint, the Title IX Coordinator shall file a formal complaint in situations when a safety threat exists. In addition, the Title IX Coordinator may file a formal complaint in other situations as permitted under the Title IX regulations, including as part of the district's obligation to not be deliberately indifferent to known allegations of sexual harassment. In such cases, the Title IX Coordinator shall provide the alleged victim notices as required by the Title IX regulations at specific points in the complaint process.

The Title IX Coordinator, investigator, decision-maker, or facilitator of an informal resolution process shall not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent. Such persons shall receive training in accordance with 34 CFR 106.45. (34 CFR 106.45)

Supportive Measures

Upon receipt of a report of Title IX sexual harassment, the Title IX Coordinator shall promptly contact the complainant to discuss the availability of supportive measures and shall consider the complainant's wishes with respect to the supportive measures implemented. Supportive measures shall be offered as appropriate, as reasonably available, and without charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures shall be nondisciplinary, nonpunitive, and designed to restore or preserve equal access to the district's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the district's educational environment or to deter sexual harassment. Supportive measures may include, but are not limited to, counseling, course-related adjustments,

modifications of class schedules, mutual restrictions on contact, increased security, and monitoring of certain areas of the campus. (34 CFR 106.30, 106.44)

The district shall maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the district's ability to provide the supportive measures. (34 CFR 106.30)

Emergency Removal from School

A student shall not be disciplined for alleged sexual harassment under Title IX until the investigation has been completed. However, on an emergency basis, the district may remove a student from the district's education program or activity, provided that the district conducts an individualized safety and risk analysis, determines that removal is justified due to an immediate threat to the physical health or safety of any student or other individual arising from the allegations, and provides the student with notice and an opportunity to challenge the decision immediately following the removal. This authority to remove a student does not modify a student's right under the Individuals with Disabilities Education Act or Section 504 of the Rehabilitation Act of 1973. (34 CFR 106.44)

If a district employee is the respondent, the employee may be placed on administrative leave during the pendency of the formal complaint process. (34 CFR 106.44)

Dismissal of Complaint

The Title IX Coordinator shall dismiss a formal complaint if the alleged conduct would not constitute sexual harassment as defined in 34 CFR 106.30 even if proved. The Title IX Coordinator shall also dismiss any complaint in which the alleged conduct did not occur in the district's education program or activity or did not occur against a person in the United States, and may dismiss a formal complaint if the complainant notifies the district in writing that the complainant would like to withdraw the complaint or any allegations in the complaint, the respondent is no longer enrolled or employed by the district, or sufficient circumstances prevent the district from gathering evidence sufficient to reach a determination with regard to the complaint. (34 CFR 106.45)

Upon dismissal, the Title IX Coordinator shall promptly send written notice of the dismissal and the reasons for the dismissal simultaneously to the parties, and shall inform them of their right to appeal the dismissal of a formal complaint or any allegation in the complaint in accordance with the appeal procedures described in the section "Appeals" below. (34 CFR 106.45)

If a complaint is dismissed, the conduct may still be addressed pursuant to BP/AR 1312.3 – Uniform Complaint Procedures as applicable.

Informal Resolution Process

When a formal complaint of sexual harassment is filed, the district may offer an informal resolution process, such as mediation, at any time prior to reaching a determination regarding responsibility. The district shall not require a party to participate in the informal resolution process or to waive the right to an investigation and adjudication of a formal complaint. (34 CFR 106.45)

The district may facilitate an informal resolution process provided that the district: (34 CFR 106.45)

1. Provides the parties with written notice disclosing the allegations, the requirements of the informal resolution process, the right to withdraw from the informal process and resume the formal complaint process, and any consequences resulting from participating in the informal resolution process, including that records will be maintained or could be shared.
2. Obtains the parties' voluntary, written consent to the informal resolution process
3. Does not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student

Written Notice

If a formal complaint is filed, the Title IX Coordinator shall provide the known parties with written notice of the following: (34 CFR 106.45)

1. The district's complaint process, including any informal resolution process
2. The allegations potentially constituting sexual harassment with sufficient details known at the time, including the identity of parties involved in the incident if known, the conduct allegedly constituting sexual harassment, and the date

and location of the alleged incident if known. Such notice shall be provided with sufficient time for the parties to prepare a response before any initial interview.

If, during the course of the investigation, new Title IX allegations arise about the complainant or respondent that are not included in the initial notice, the Title IX Coordinator shall provide notice of the additional allegations to the parties.

3. A statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the complaint process

4. The opportunity for the parties to have an advisor of their choice who may be, but is not required to be, an attorney, and the ability to inspect and review evidence

5. The prohibition against knowingly making false statements or knowingly submitting false information during the complaint process

The above notice shall also include the name of the investigator, facilitator of an informal process, and decisionmaker and shall inform the parties that, if at any time a party has concerns regarding conflict of interest or bias regarding any of these persons, the party should immediately notify the title IX Coordinator.

Investigation Procedures

During the investigation process, the district's designated investigator shall: (34 CFR 106.45)

1. Provide an equal opportunity for all parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence

2. Not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence

3. Provide the parties with the same opportunities to have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney

4. Not limit the choice or presence of an advisor for either the complainant or respondent in any meeting or grievance proceeding, although the district may establish restrictions regarding the extent to which the advisor may participate in the proceedings as long as the restrictions apply equally to both parties

5. Provide, to a party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all investigative interviews or other meetings, with sufficient time for the party to prepare to participate

6. Send in an electronic format or hard copy to both parties and their advisors, if any, the evidence obtained as part of the investigation that is directly related to the allegations raised in the complaint, and provide the parties at least 10 days to submit a written response for the investigator to consider prior to the completion of the investigative report

7. Objectively evaluate all relevant evidence, including both inculpatory and exculpatory evidence, and determine credibility in a manner that is not based on a person's status as a complainant, respondent, or witness

8. Create an investigative report that fairly summarizes relevant evidence and, at least 10 days prior to the determination of responsibility, send to the parties and their advisors, if any, the investigative report in an electronic format or a hard copy, for their review and written response

Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence are offered to prove that someone other than the respondent committed the conduct alleged by the complainant or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent. (34 CFR 106.45)

Privacy rights of all parties to the complaint shall be maintained in accordance with applicable state and federal laws.

If the complaint is against an employee, rights conferred under an applicable collective bargaining agreement shall be applied to the extent they do not conflict with the Title IX requirements.

Written Decision

The Superintendent shall designate an employee as the decision-maker to determine responsibility for the alleged conduct, who shall not be the Title IX Coordinator or a person involved in the investigation of the matter. (34 CFR 106.45)

After the investigative report has been sent to the parties but before reaching a determination regarding responsibility, the decision-maker shall afford each party the opportunity to submit written, relevant questions that the party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party.

The decision-maker shall issue, and simultaneously provide to both parties, a written decision as to whether the respondent is responsible for the alleged conduct. (34 CFR 106.45)

The written decision shall be issued within 60 calendar days of the receipt of the complaint.

The timeline may be temporarily extended for good cause with written notice to the complainant and respondent of the extension and the reasons for the action. (34 CFR 106.45)

In making this determination, the decision-maker shall use the "preponderance of the evidence" standard for all formal complaints of sexual harassment. The same standard of evidence shall be used for formal complaints against students as for complaints against employees. (34 CFR 106.45)

The written decision shall include the following: (34 CFR 106.45)

1. Identification of the allegations potentially constituting sexual harassment as defined in 34 CFR 106.30
2. A description of the procedural steps taken from receipt of the formal complaint through the written decision, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held if the district includes hearings as part of the grievance process
3. Findings of fact supporting the determination
4. Conclusions regarding the application of the district's code of conduct or policies to the facts
5. A statement of, and rationale for, the result as to each allegation, including a decision regarding responsibility, any disciplinary sanctions the district imposes on the respondent, and whether remedies designed to restore or preserve equal access to the district's educational program or activity will be provided by the district to the complainant
6. The district's procedures and permissible bases for the complainant and respondent to appeal

Appeals

Either party may appeal the district's decision or dismissal of a formal complaint or any allegation in the complaint, if the party believes that a procedural irregularity affected the outcome, new evidence is available that could affect the outcome, or a conflict of interest or bias by the Title IX Coordinator, investigator(s), or decision-maker(s) affected the outcome. If an appeal is filed, the district shall: (34 CFR 106.45)

1. Notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties
2. Ensure that the decision-maker(s) for the appeal is trained in accordance with 34 CFR 106.45 and is not the same decision-maker(s) who reached the determination regarding responsibility or dismissal, the investigators(s), or the Title IX Coordinator
3. Give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome
4. Issue a written decision describing the result of the appeal and the rationale for the result
5. Provide the written decision simultaneously to both parties

An appeal must be filed in writing within 10 calendar days of receiving the notice of the decision or dismissal, stating the grounds for the appeal and including any relevant documentation in support of the appeal. Appeals submitted after this deadline are not timely and shall not be considered.

A written decision shall be provided to the parties within 20 calendar days from the receipt of the appeal.

The district's decision may be appealed to the California Department of Education within 30 days of the written decision in accordance with BP/AR 1312.3.

Either party has the right to file a complaint with the U.S. Department of Education's Office for Civil Rights within 180 days of the date of the most recently alleged misconduct.

The complainant shall be advised of any civil law remedies, including, but not limited to, injunctions, restraining orders, or other remedies or orders that may be available under state or federal antidiscrimination laws, if applicable.

Remedies

When a determination of responsibility for sexual harassment has been made against the respondent, the district shall provide remedies to the complainant. Such remedies may include the same individualized services described above in the section "Supportive Measures," but need not be non-disciplinary or nonpunitive and need not avoid burdening the respondent. (34 CFR 106.45)

Corrective/Disciplinary Actions

The district shall not impose any disciplinary sanctions or other actions against a respondent, other than supportive measures as described above in the Section "Supportive Measures," until the complaint procedure has been completed and a determination responsibility has been made. (34 CFR 106.44)

For students in grades 4-12, discipline for sexual harassment may include suspension and/or expulsion. After the completion of the complaint procedure, if it is determined that a student at any grade level has committed sexual assault or sexual battery at school or at a school activity off school grounds, the principal or Superintendent shall immediately suspend the student and shall recommend expulsion. (Education Code 48900.2, 48915)

Other actions that may be taken with a student who is determined to be responsible for sexual harassment include, but are not limited to:

1. Transfer from a class or school as permitted by law
2. Parent/guardian conference
3. Education of the student regarding the impact of the conduct on others
4. Positive behavior support
5. Referral of the student to a student success team
6. Denial of participation in extracurricular or cocurricular activities or other privileges as permitted by law

When an employee is found to have committed sexual harassment or retaliation, the district shall take appropriate disciplinary action, up to and including dismissal, in accordance with applicable law and collective bargaining agreement.

Record-Keeping

The Superintendent or designee shall maintain, for a period of seven years: (34 CFR 106.45)

1. A record of all reported cases and Title IX investigations of sexual harassment, any determinations of responsibility, any audio or audiovisual recording and transcript if applicable, any disciplinary sanctions imposed, any remedies provided to the complainant, and any appeal or informal resolution and the results therefrom
2. A record of any actions, including supportive measures, taken in response to a report or formal complaint of sexual harassment, including the district's basis for its conclusion that its response was not deliberately indifferent, the measures taken that were designed to restore or preserve equal access to the education program or activity, and, if no supportive measures were provided to the complainant, the reasons that such a response was not unreasonable in light of the known circumstances
3. All materials used to train the Title IX Coordinator, investigators(s), decision-maker(s), and any person who facilitates an informal resolution process. The district shall make such training materials publicly available on its web site, or if the district does not maintain a web site, available upon request by members of the public.

BP 5145.7 SEXUAL HARASSMENT:

The Governing Board is committed to maintaining a safe school environment that is free from harassment and discrimination. The Board prohibits, at school or at school-sponsored or school-related activities, sexual harassment targeted at any student by anyone. The Board also prohibits retaliatory behavior or action against any person who reports, files a complaint or testifies about, or otherwise supports a complainant in alleging sexual harassment.

The district strongly encourages students who feel that they are being or have been sexually harassed on school grounds or at a school-sponsored or school-related activity by another student or an adult, or who have experienced off-campus sexual harassment that has a continuing effect on campus, to immediately contact their teacher, the principal, the district's Title IX Coordinator, or any other available school employee. Any employee who receives a report or observes an incident of sexual harassment shall notify the Title IX Coordinator.

Once notified, the Title IX Coordinator shall ensure the complaint is addressed through Title IX complaint procedures or uniform complaint procedures, as applicable, and shall offer supportive measures to the complainant.

The Superintendent or designee shall inform students and parents/guardians of the district's sexual harassment policy by disseminating it through parent/guardian notifications, publishing it on the district's web site, and including it in student and staff handbooks. All district staff shall be trained regarding the policy.

Instruction/Information

The Superintendent or designee shall ensure that all district students receive age-appropriate information on sexual harassment. Such instruction and information shall include:
