Ticket Sales

Tickets are available for sale prior to the dance (pre-sale). Students must have a school picture identification card to be admitted to a dance.

Dress Code

The established dress code for students will be in effect during school sponsored dances. Students who are dressed inappropriately will be asked to change into appropriate clothing. If the student cannot or refuses to change into appropriate clothing, he/she will be directed to leave the dance. The student's parents/guardians will be contacted and arrangements will be made for the student to go home.

Lighting

Each individual school will coordinate with the DJ to ensure that the lighting at all dances is appropriate. If no agreement can be reached, the administrator or designee in charge will have the final say.

Music Selection

Each individual school will coordinate with the DJ the music selection. If a DJ is playing music that is inappropriate as determined by the school's administration and/or Activities Director, the DJ will be directed to change the music selection. If the DJ refuses to comply, the administrator or designee is authorized to close down the dance.

Dance Supervision

There will be school staff supervision at all dances to ensure a safe and healthy environment for students.

Dance Standards

Any provocative dancing, as determined by the administrator will not be permitted. More specifically, dancing styles that involve touching of breasts, buttocks or genitals, grinding, straddling each other's legs, or those that simulate sexual activity are not permitted. When dancing back to front, all dancers must remain upright - no hands on knees and no hands on the dance floor with buttocks touching dance partner or other dancers.

Consequences for Violating Expectations

Wristbands which are required to be worn at the dance, will be issued during the check-in process. If a staff member determines that a student is dancing inappropriately, they will give the student one warning and remove his/her wristband. If the same student is dancing inappropriately a second time (this student would not be wearing a wristband), he/she would be directed to leave the dance. Parents/guardians will be contacted and arrangements will be made for the student to go home.

School Rules

Students and guests attending a school dance will be held accountable for abiding by all applicable school rules and regulations.
