Students attending the above high schools may ride the Meridian Technology Center bus. Some of our district

District High School Students

schools require students to only use the Meridian bus for transportation to and from Meridian Technology Center. High school students from Carney, Glencoe, Guthrie, Morrison, and Pawnee are not permitted to drive. They may only ride the bus.

Adults, Private Schools and homeschooled Students

Adults, Private high school students and homeschooled students who wish to ride the bus must have prior written approval from the sending school Superintendent or designee and the Meridian Technology Center Director of Instruction.
