The District's [Policy Manual](#) contains the policies of the Governing Board along with administrative regulations and exhibits of the Superintendent. These documents form the basis of the governance of the District.

For access, the Policy Manual is housed in an electronic format (www.balsz.org/policies). Each District employee is charged to comply with direction established in the Manual, and, with keeping up-to-date as new and adjusted policies, regulations, and exhibits are determined appropriate by the Governing Board and Superintendent. A breach in adherence to policy could result in disciplinary action up to and including termination. Your immediate supervisor will keep you informed of Manual adjustments, and is the person you should go to when you have questions regarding any aspect of the documents found in the Manual.

Should inconsistencies occur in the interpretation of policies, regulations, or exhibits, applicable laws and regulations shall prevail.

For information regarding the content of the District's Policy Manual and its utilization, employees should review the Manual's Introduction.

Section 3: Aspects of Employment

A. Personnel Policies

Personnel policies adopted by the Governing Board are to serve as the framework for the efficient and successful functioning of the District. Policies are framed and intended to be interpreted within the context of applicable laws and rules that govern public schools. Changes in the laws and agency rules, as well as in the needs, conditions, purposes, and objectives of the District may result in revisions, deletions, and additions to the Manual. Therefore, to the extent permitted or required by law, District personnel policies may be modified, amended, or repealed at any time as the Board determines to be in the best interest of the District.

Employees do not have a vested right to continuing employment or benefits associated with District employment except as may be required by law and provided in the respective employee's written contract or employment agreement.

B. Assignment and Transfers:

Support Staff - All support staff assignments shall be based on the needs of the District, on the individual's qualifications, and on their expressed desires. When it is not possible to meet all three (3) conditions, an employee shall be assigned first in accordance with the needs of the District, second where the Superintendent determines the employee is most qualified to serve, and third as to the expressed preference of the employee.

Support Staff Transfers: The transfer of support staff members will be based on the needs of the District. However, staff members may apply for transfer whether or not a current vacancy in the District exists.

The resolution of any conflicts over the need for a transfer shall be based on what is best for the District's instructional program, the needs of the students, and the overall needs of the District as defined by the Superintendent.

The above applies to transfers within the same job classification and pay grade. The assignment of an employee to a position of greater or lesser pay requires the recommendation of the Superintendent followed by Board approval.

Reference: [Governing Board Policy GDJ](#)

Professional Staff - The Superintendent has the responsibility of assignment and transfer of all professional staff in the District. The procedure for assignment and transfer of professional staff members will be based on the needs of the District's instructional program. No right to an assignment in a specific department, position, school, grade, or teaching assignment shall be inferred from the professional staff member's contract.

Professional staff members may apply for transfer whether or not a vacancy exists. However, transfers will not be approved by the Superintendent during the school year unless the needs of the District dictate such approval.

In the case of vacancies in new or existing positions, first consideration will be given to qualified applicants among current employees.

The transfer of teachers from one school to another school within the District shall take into consideration the needs of the pupils in the District and the current distribution of teachers across all of the four (4) performance classifications as adopted by the State Board of Education and noted in Arizona Revised Statute 15-203(38).

A teacher who has been employed by the District for the major portion of three (3) or more consecutive school years and who is currently designated in the lowest performance classification, as adopted by the State Board of Education and noted in Arizona Revised 15-203(38), for two (2) consecutive school years shall not be transferred as a teacher to another school in the District unless the District has issued a preliminary notice of inadequacy of classroom performance and approved a performance improvement plan for the teacher and the Governing Board has approved the new placement as in the best interests of the pupils in the school. Following a transfer under this provision, a teacher who continues to be designated in one (1) of the two (2) lowest performance classifications shall not be permitted to transfer to another school.

The resolution of any conflicts over the need for a transfer shall be based on what is best for the instructional program, the needs of the students, and the overall needs of the District as defined by the Superintendent.

C. Assistance Programs

Employee Assistance - Employees may be required by the Superintendent, for purposes of employment or retention, to submit to such tests or examinations as a licensed physician deems appropriate.

When, in the opinion of the immediate supervisor and/or the Superintendent, the employee's physical or emotional condition warrants, the District may require a complete examination, at District expense, by a licensed physician selected by the District.

For employee safety, the District maintains compliance with the requirements of the Occupational Safety and Health Administration (OSHA), including an exposure-control plan, methods of compliance, work-practice controls, post-exposure evaluation and follow-up, and administering vaccines to employees exposed to Hepatitis B virus.

All employees who, as a result of their employment, have had significant exposure to bloodborne pathogens (Hepatitis B/Human Immunodeficiency Virus) are required to report the details of the exposure in writing to the District and are required to follow post-exposure evaluation and

follow-up activities in accordance with Arizona and federal laws. An employee who chooses not to complete these reporting requirements will be at risk of losing any claim to rights.

Similarly, unless exempted, all employees, including substitutes, shall present proof of immunity to rubella (German measles) prior to reporting for work.

Exempted employees include those with medical contraindications for receiving vaccines and those who refuse immunization for religious reasons. Nonimmune employees, including those who utilize the exemption, shall, in the event of an outbreak of either disease, be put on leave without pay, or, they may use accumulated sick leave during the period they are excluded from work due to the outbreak. If a staff member does not have any earned sick leave, a salary deduction of one day will be made for each day of authorized leave used.

I. Staff Ethics/Staff Conduct

Staff Ethics: All employees of the District are expected to maintain high standards in their relationships. As members of the staff and as a staff in whole, the District's primary purpose is to provide educational opportunities to the students we serve. To that end, every employee assumes responsibility for providing ethical leadership in the school and community. This responsibility requires the employee to maintain standards of exemplary conduct. In addressing this responsibility employees are expected to recognize that their actions will be viewed and appraised by the community, associates, and students. Any form of behavior that is deemed as bullying, discrimination, harassment, or does not meet the District's standards of ethics will not be tolerated. Reference: [Governing Board Policy GBEA](#)

Similar physical force will be appropriate in self-defense, in the defense of students and school personnel, and to prevent or terminate the commission of theft or criminal damage to the property of the District or the property of persons lawfully on the premises of the District.

The threat or use of physical force is not justified as a response to verbal provocation alone, nor when the degree of physical force used is disproportionate to the circumstances or exceeds that necessary to avoid injury to oneself or to others or to preserve property at risk.

- b) To provide for an unpaid leave in a situation where the employee will be absent from work because of 1) a reason that conforms to a policy currently in effect but the maximum number of days provided for in that policy will be exceeded, or 2) failure to report to work without prior notification to the Superintendent.

- c) For a leave of absence that benefits or is in the best interest of the District, as determined by the Board upon review of the application.
- d) For leave under the Family and Medical Leave Act.

A leave of absence requested pursuant to this policy may be approved by the Superintendent if the leave period does not exceed twelve (12) weeks; or recommended by the Superintendent and approved by the Governing Board if the leave period exceeds twelve (12) weeks.

The leave of absence shall be only for the purpose and duration approved and may not be extended without written approval by the District.

All rights of continuing status (certificated teachers only), retirement, salary increments, and other benefits shall be restored at the level earned when the leave was granted. - D. Child Abuse Reporting:** School personnel, including substitute teachers and any member of a school district governing board or charter school governing body, or any other person who has responsibility for the care or treatment of a minor and who reasonably believes that a minor is or has been the victim of physical injury, abuse, child abuse, a reportable offense or neglect that appears to have been inflicted upon the minor by other than accidental means or that is not explained by the available medical history as being accidental in nature or who reasonably believes there has been a denial or deprivation of necessary medical treatment or surgical care or nourishment with the intent to cause or allow the death of an infant who is protected under A.R.S. 36-2281 shall immediately report or cause reports to be made of such information to a peace officer or to the Department of Child Safety (DCS) of the Department of Economic Security, except if the report concerns a person who does not have care, custody, or control of the minor, the report shall be made to a peace officer only. Such reports shall be made immediately either electronically or by telephone. A report to a school resource officer or a school safety officer does not satisfy the reporting requirements of A.R.S. 13-3620.

The Arizona Department of Economic Security, Division of Children, Youth and Families, has determined that all mandated reporters may now electronically submit non-emergency reports via a secure online reporting website. Non-emergency reports are those in which a child is not at immediate risk of abuse or neglect that could result in serious harm. Mandated reporters will be able to submit non-emergency reports twenty-four (24) hours a day without wait times.

All reports made via the online website will *require the person making the report (reporting source) to provide contact information*. A representative from the Child Abuse Hotline may contact the source for additional information, if necessary. This process will make it more convenient to meet the mandated reporting requirements and help ensure child safety.

All *emergency situations* where a child faces an immediate risk of abuse or neglect that could result in serious harm *must* still be reported by calling 911 or 1-888-SOS-CHILD (1-888-767-2445). If a reporting

source is unsure as to whether or not the report is an emergency situation, the reporting source should call the Child Abuse Hotline to make a report.

Any concerns for the safety of a child due to abuse, neglect or abandonment, *must be reported*, by:

Calling 1-888-SOS-CHILD (1-888-767-2445),

TDD: 602-530-1831 (1-800-530-1831), or

Submitting *non-emergency* concerns via the Online Reporting Service

at <https://dcs.az.gov/about/contacts>.

Pursuant to A.R.S. 13-3620, such reports shall contain, if known:

- A. The names and addresses of the minor, the parents, or the person or persons having custody of such minor, if known.
- B. The minor's age and the nature and extent of the minor's abuse, child abuse, or physical injuries or neglect, including any evidence of previous abuse, child abuse, physical injury or neglect.
- C. Any other information that such person believes might be helpful in establishing the cause of the abuse, child abuse, physical injury or neglect.

A person who furnishes a report, information, or records required or authorized under Arizona Revised Statutes or a person who participates in a judicial or administrative proceeding or investigation resulting from a report, information or records required or authorized under Arizona Revised Statutes is immune from any civil or criminal liability by reason of that action unless such person has acted with malice or unless such person has been charged with or is suspected of abusing or neglecting the child or children in question.

A person who fails to report abuse as provided in A.R.S. 13-3620 is guilty of a Class 1 misdemeanor, except if the failure to report involves a reportable offense, the person is guilty of a Class 6 felony.

Any certificated person or Governing Board member who reasonably suspects or receives a reasonable allegation that a person certificated by the Department of Education has engaged in conduct involving minors that would be subject to the reporting requirements of A.R.S. 13-3620 shall report or cause reports to be made to the Department of Education in writing as soon as is reasonably practicable but not later than three (3) business days after the person first suspects or receives an allegation of the conduct.

Any person who is employed as the immediate or next higher-level supervisor to or administrator of a person who is statutorily required to report is not required to report if the supervisor or administrator reasonably believes that the report has been made by the person who is required to report.

Any school employee who has orally reported to DCS or a peace officer a reasonable belief of an offense to a minor must provide written notification to the principal of the oral report not later than the next workday following the making of the report.

The Superintendent is authorized by the Board to organize committees to review curriculum. Committees will consist of an appropriate balance of students, parents, teachers and administrators. All new programs and courses of study will be subject to Board approval, as will the elimination of programs and courses, and extensive alteration in curriculum content.

Curriculum guides are developed and provided to instructional staff to serve as a framework from which a teacher will develop units of study, individual lesson plans, and approaches to instruction that will serve the students' particular needs at a particular time. The guides shall be used to map the logical sequence of instruction. Teachers are required to adhere to the guides. Utilization of guides to construct lesson plans shall be a practice of all instructional staff. - a) At-will employees may be suspended without pay for a period of more than five (5) days by action of the Superintendent for any conduct that, in the judgment of the Superintendent, is inappropriate. Before suspending the at-will employee, the Superintendent will inform the employee of intent to suspend the employee and will give the employee an informal opportunity to explain why, in the employee's opinion, the suspension should not be imposed. The Superintendent's decision will be final.

At-will employees may be terminated by action of the Governing Board for any reason, or for no reason, with or without advance notice, as the Governing Board desires. If the Superintendent recommends that the Governing Board terminate an at-will employee, the recommendation shall be submitted to the Governing Board in writing and a copy of the recommendation shall be delivered to the employee. Staff members who work with qualifying students will receive specific direction related to the student's 504 plan and may be involved in decision making meetings related to the plan.

Section 504 prohibits discrimination against persons with disabilities, including both students and staff members, by school districts receiving federal financial assistance. Included in the U.S. Department of Education regulations for Section 504 is the requirement that students with disabilities be provided with free appropriate public education (FAPE). The regulations pertaining to FAPE are published at 34 Code of Federal Regulations, Part 104, Subpart D.) These regulations require identification, evaluation, the provision of appropriate services, and procedural safeguards.

G. Supervision of Students: The District is required to provide reasonable supervision over all students engaged in all school-sponsored activities. To a great extent, this responsibility falls on school administration, teachers, and school support staff. Teachers shall exercise supervision as appropriate from the commencement of the school day, before classes begin, during class sessions, during lunch periods, between classes, and at any other time when performing teaching or related duties on behalf of the school. Support staff will assist in this effort through duties related to their specific assignment

H. Student Photos on Social Media: To protect student privacy and uphold professional boundaries, staff are not permitted to post photos or videos of students on their personal social media accounts under any circumstances. Student photos may be shared only through official school or district-approved platforms, and only when photograph permissions have been verified and the content is used to promote a positive narrative of Balsz Elementary School District. Staff should understand that posting students on personal accounts—regardless of intent—can blur the lines between professional and private life. In doing so, personal accounts may be viewed as an extension of one's professional role and could therefore be subject to review under district policies or public scrutiny.

I. Parent Handbook / Student Code of Conduct: All employees are expected to review the annual Parent Handbook / Code of Conduct at the beginning of each school year. This document provides important information regarding student discipline procedures, including definitions and examples of behavioral expectations, levels of infractions, and corresponding consequences.

Familiarity with these guidelines ensures consistency across campuses and supports a safe, respectful, and equitable learning environment for all students.

Employees may access the most recent version of the Parent Handbook / Code of Conduct via the District website or by requesting a printed copy from their school office.
