Together We Can Oakdale Elementary

A Note from the Principal

Oakdale Families-

It is with great pleasure and eagerness that I welcome you to a new school year at Oakdale Elementary. Our school has a rich history, filled with academic distinction. This has not come about by accident -- it has occurred through the continued hard work, dedication, and commitment to excellence that has existed between school staff, partnerships with you, our parents and community members, and most importantly, our students! I am greatly honored to be a part of Oakdale as a member of this educational family!

I look forward to working with each and every one of you to make this a successful year for our students. I am committed to helping each student become their very best. Working collaboratively, we will reach that destination! I look forward to seeing what this school year has in store for us! Let the journey for the 2025-2026 school year begin!

Communicating with Your Child's School!

We strive to be the best place to learn. The only way we can improve is to know about concerns so we are able to address them. Here are some tips for communicating with your child's school when concerns arise.

The fastest way to a positive result is to start with the people closest to the situation in the school. Talk with the teacher or coach about your questions and concerns before going to the principal.

Parents and guardians are encouraged to reach out to teachers and school staff by:

- Calling the school's phone number. Because they are teaching, you often will need to leave a message for your child's teacher or coach.
- Emailing the teacher or coach directly. All teacher emails are available on our school website.

We want to be responsive to parents' questions and requests for information. Our staff will respond to your call or email as soon as possible, in most cases within two school days.

If you have had a conversation with your child's teacher and the principal and are still needing assistance, the director of elementary or secondary programs will be able to provide additional support.

We are excited for this new school year and look forward to partnering with you to support a great school experience for your student.
