You will walk your child to his/her classroom. You will also complete the emergency card, and other paperwork that is required for your child to remain at school.

The person picking up the child must be on the emergency card. A teacher will put your child in the car. Please do not get out of your car. When

buckling your child in his/her car seat please pull up and out of the line of traffic. A car tag with your child's name on it will be given to you. Please hang it from your mirror. This makes pick-up much faster.

You must be in a vehicle to bring or pick up your child. Please have your child's car seat in the backseat passenger side. We are not allowed by Risk Management to walk behind or in front of the vehicle.

No walk-ups until the car line has ended. This is for your child's safety.
