1. Purpose

This document outlines the rules and responsibilities associated with student parking privileges on school property. Parking is a privilege—not a right—and is subject to compliance with all school policies and procedures.

2. Eligibility

- Only students in good academic and disciplinary standing may apply for parking privileges.
- Seniors may be granted priority access under the Senior Privilege program, subject to administrative approval.

3. Permit Requirements

- Students must obtain a valid parking permit from the School Counseling Department.
- Permits must be clearly displayed on the vehicle's dashboard while parked on campus.
- Permits are non-transferable and may only be used by the registered student and vehicle.

4. Parking Regulations

- Students must park only in designated student parking spaces.
- Parking in staff, visitor, handicapped, or reserved areas is strictly prohibited.
- **Vehicle Condition-** All vehicles must be operable and properly maintained.
- **Liability-** The school is not responsible for loss, theft, or damage to vehicles or personal property while on school premises. Students must park at their own risk.

5. Safety

- Students must always operate vehicles safely and responsibly.
- Reckless driving behaviors like speeding, drifting, disruptive behavior, or not following on-campus traffic flow could lead to revocation.
- Loitering in the parking area is not permitted during school hours.

6. Prohibited Conduct

Behaviors That May Result in Loss of Parking Privileges

Examples of parking violations that could lead to disciplinary action and revocation of parking privileges:

1. Using a vehicle without the approved decal
2. Parking without a valid decal or attempt to use someone else's decal
3. Allowing a non-approved student to ride off campus
4. Students may not go to their cars during the school day, including lunch, without the prior written permission of the principal or an assistant principal.
5. Other potential violations (based on similar school policies).
6. Any behavior that is unsafe, violates of the BCPS Student Code of Conduct, or otherwise deemed inappropriate, is strictly prohibited.

ONLY STUDENTS WHO ARE EXPLICITLY APPROVED FOR OFF-CAMPUS PRIVILEGES MAY LEAVE CAMPUS

If a student gives a ride to someone who is not on the approved off-campus list, **both** may face consequences, including loss of parking privileges and disciplinary action.

8. Enforcement and Penalties

- Violations of this policy may result in fines, towing, disciplinary action, or loss of parking privileges.
- In addition to losing on-campus parking privileges and senior privilege, students will also be disciplined in accordance with the School Board of Broward County Discipline matrix. Disciplinary actions taken could include:
 - Detention
 - In-School Suspension
 - External Suspension
 - Additionally, students may lose the ability to participate in Senior spirit event such as Grad Bash or prom.
- The School Principal reserves the right to revoke parking privileges at any time for failure to comply with this policy.

9. Agreement

By accepting a parking permit, the student agrees to abide by all terms outlined in this policy.
