Recap of AP Performance

13% growth in number of students passing an AP exam, and 14% growth in number of passing AP exams

Increased overall AP exam score average from 2.5 to 2.7

Decreased the number of students with a score of 1 on an AP exam from 27% to 16%

Two courses had 100% passing rate:

- AP English Literature and Composition
- AP Spanish Language and Culture

AP Scholar Report

- Number of 5's on AP Exams: 11
- 11 students as AP Scholars
- 5 students as AP Scholars with Distinction
- 1 student as AP Scholars with Honors

Next Steps

- Continuation of the AP Institute - Summer/Fall 2025
 - Designed to provide students enrolled in AP courses with more resources and support
 - Ongoing during the school year until AP exams in May
 - Sessions held both before and after school to provide flexibility
 - **Dependent on ESEA Funding**
- Planning Meetings with AP Teachers - Fall 2025
 - Program Supervisors and AP Coordinator will meet with each AP teacher
 - Discuss scores and make a plan to improve instruction and scores
- AP Parent Forum - TBD
 - Provide parents with details about the expectations of AP courses and exams
 - Inform parents of the AP Institute
