

## Late Bus Ticket Information 2025/26

---

### Late Bus Tickets

Beginning 18 August 2025 and continuing through early June 2026, a late bus service is available Monday through Thursday for Grade 6-12 students on the Oberursel Campus (departing at 17:15), and Tuesdays and Thursdays for Grade 6-8 students at FISW. Service is only offered to areas that have a minimum number of riders per day during a given semester, including areas not previously served. Buses will stop according to the bus timetables available from the Transportation Office.

Late bus users will be charged an € 10 fee for each trip. Oberursel Campus tickets must be purchased from in the Transportation Office, Room 747 on the top floor of Old Main; FISW Campus tickets must be purchased from Ms. Nicole Bentley in the FISW Office.

Due to safety and capacity reasons, **all late bus riders must be registered with the Transportation Office** so the school can ensure enough space is available.

If you have any questions or feedback regarding the late bus route, please email our Transportation Service Manager at [transportation@fis.edu](mailto:transportation@fis.edu).

*Please also note that **late bus tickets** are only valid for the calendar school year in which they were purchased. Unused tickets can be refunded if returned to the Accounting Office by the end of the same school year. Tickets may not be transferred over to the next school year.*
