Little Eagles Registration

Little Eagles is a new program for Kinder-6th grade that will pair an elementary student with a high school TLCA Eagle athlete for a dedicated season. The purpose of this is for the elementary students to have a fellow Eagle to look up to and be recognized throughout the season and for the high school student to have an opportunity to mentor a younger student and be held accountable to the future of TLCA.

All Little Eagles and their athlete will be invited to join their player on the field Meet the Eagles and will be recognized throughout the season by the Eagle athlete and receive a TLCA Little Eagle T-shirt. Your child's Eagle may join him/her for lunch at school, read to his/her classroom, or do something special for your child during the season! Little Eagles also have an opportunity to treat their athlete with game day good luck goodies, some examples would be Gatorade, protein bar, water bottle, gift card, a note of encouragement, a drawing, etc. If you choose to give something extra to your Eagle, please drop your item off at the front office so that admin may distribute before game time.

Thank you for allowing the Eagles to be a positive impact and role model to your child. Please join TLCA-Abilene Athletic Boosters on Facebook for up-to-date events for Little Eagles to attend and follow the TLCA Eagle Athletes!

Please return by **Friday, August 20th, 2021** to Jeremy.kirk@tlca-ab.com or the front office at either campus. **Cost is $15 per student.**

Little Eagle's Name: _____ Grade: _____
Homeroom Teacher: _____

We will do our best to match your child with their favorite Eagle athlete, please suggest up to two players that your student would like to be paired. Varsity athletes will be assigned a Little Eagle and then JV athletes will have the option to be matched, depending on participation.

☐ No Preference
