

GRAND BLANC COMMUNITY SCHOOLS

BREAKFAST & LUNCH MENUS WILL NOW BE DIGITAL!

Many families have already moved online for school menu information. In an effort to reduce paper waste, we are moving to digital-only menus at GBCS!

(Elementary will no longer receive a paper copy. Middle School and GBHS were already digital-only.)

MENUS ARE STILL AVAILABLE TWO WAYS!

Nutrislice provides an easy-to-navigate app that can be downloaded on IOS & Android devices **OR** visit our dining services webpage to view, download and print your familiar school menus.

USE THE APP!

*At School or at home,
we encourage starting the day out
with a good breakfast!*
