### **Greetings, Parents and Guardians!**

Welcome to a brand-new school year at **Mundy's Mill Middle STEM School**, where our motto is "*Excellence, Everyday, in Every Way.*" We are so excited to have you and your family back with us for what promises to be an engaging and productive school year.

My name is **Patricia Dickerson**, and I am honored to serve as your **Title I Parent Liaison**. My role is to support parents and families by providing helpful information, school and community resources, and opportunities to stay involved in your child's educational journey. Some of the services I offer include parenting tools, volunteer opportunities, monthly calendars, academic brochures, employment resources, and much more. It is my mission to strengthen the connection between **home, school, and community**.

This year, we are challenging everyone—students, staff, and families—to "**Get in the Game!**" This theme is all about participation, teamwork, and stepping up to help our students succeed. Whether it's attending workshops, checking grades on Infinite Campus, or simply continuing the learning at home, your involvement is key. We're all on the same team, and together, we can score big wins for our kids.

One of the best ways to get in the game is by visiting our **Parent and Family Resource Center (PRC)**, located in **Room 112**. The PRC is open daily from **9:30 a.m. to 3:30 p.m.** and offers valuable tools to support learning at home, including workbooks, educational games, brochures, and articles on parenting and academic success. Computers are available for parent use, whether you want to access the Infinite Campus Parent Portal or update your resume.

Please make sure your **contact information**—especially your phone number and email—is current in Infinite Campus so you won't miss out on important updates, meetings, and workshops throughout the year. Communication is key, and I am here to help however I can.

Feel free to reach out to me at **770-473-2880 ext. 516126** or by email at [patricia.dickerson@clayton.k12.ga.us](mailto:patricia.dickerson@clayton.k12.ga.us).

Let's make this year our best yet. Let's **Get in the Game**—and win together for our children's future!

**Sincerely,**

*Patricia Dickerson*
