Dear Franklin Families,

It is with heartfelt joy that I welcome you to the 2025–2026 school year! We are truly excited to begin this new chapter and to have the opportunity to work alongside you in supporting your child’s learning journey.

At Franklin Elementary, we take pride in being more than just a school—we are a school family. We deeply value the unique strengths, interests and potential of each and every child. You can be assured that your child will be nurtured, encouraged and celebrated as they grow academically, socially and emotionally. I firmly believe that students thrive when they feel seen, supported and genuinely cared for. This belief is at the heart of everything we do at Franklin. You’ll see it reflected in our classrooms, our relationships and our daily practices.

Our dedicated teachers have spent the summer engaged in powerful professional learning focused on literacy, numeracy and technology integration. These efforts are designed to ensure that your child receives the highest quality instruction in a warm, engaging and inclusive environment.

We are incredibly optimistic about the year ahead and grateful to have you as our partners. Your support, involvement and trust make a world of difference—and together, we can help every child flourish.

With gratitude and excitement,

*Kia Evans*
