LETTER FROM SUPERINTENDENT

This past year has been eventful and rewarding, marked by our relocation to the area and the completion of my first year as superintendent. This first year has been a year of deep learning, resilience, and unexpected challenges. I came into this role with a vision of making this the best school district in the area and quickly found us navigating hard realities, including financial shortfalls that led us to the Operating Referendum on April 1, 2025.

While we all know that the Operating Referendum did not pass, the journey throughout the process brought clarity to our district's needs and a renewed sense of purpose: strong commitment to providing an excellent education for ALL students. This is and continues to be our commitment even in the face of tough decisions ahead of us to right our financial matters.

The conversations that we face in the near future will not be easy, however they must be done. We find ourselves in a financial crisis in which it will take a team effort to get corrected. This process will need to be transparent and truthful with critical decisions being made within the next several months ahead, which will include reductions that might not be popular. Even with these challenges ahead of us, we need to remain focused on the commitment to our students. Success for them is success for our community.

We have shown great success within each of our buildings. This year, we have made incredible strides in our assessment markers at the Elementary School. While we are not yet where we would like to be according to our School Report Card score, we are making steady progress thanks to the efforts of our incredible staff. Our Middle School continues to make gains and earned a remarkable Significantly Exceeds Expectations. Just like at the Elementary School, our staff is continuously working hard to improve instruction and support our students' academic achievements. Although the High School did not have an overall score that we would have hoped for, we improved from the prior year. A key highlight was that we were able to improve in all four priority areas, and our graduation rate improved to an impressive 95%. Great things are happening within our district.

It is important to know that our students and staff are the heart of our district. Both are showing up and staying committed to our mission—*The School District of Arcadia is a professional learning community that exists to ensure that ALL children learn. As we continue to develop and improve our schools to support ALL our students, our staff has stepped up to the challenge and is making a difference. Without this hardworking team, we would not be seeing the improvements that we are seeing throughout the district.*

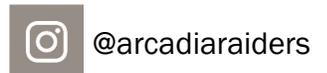

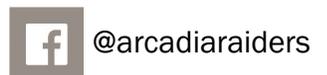

We may be facing hard budget decisions; however, we are not standing still or giving up. We are already developing the groundwork to improve how we serve our students to ensure

they're prepared for the demands of our changing world. We are utilizing digital tools, such as AI (Artificial Intelligence), to enhance staff instructional capacity as well as support students at their academic levels. Technology is developing at an exponential rate and we need to equip our students with the skills to support them not only now but also into the future.

This first year has taught me that I need to be the Buffalo. Why the Buffalo? When a storm approaches, buffalo don't run away—they turn and face it head-on, enduring whatever the storm may bring. Throughout this first year, I have been faced with challenges and difficult decisions; however, I believe that we have navigated through them with courage and clarity. I continue to be grateful for the trust this community has placed in me to lead our district and I am confident that together we can build greatness. #BELIEVE.

LOW INTEREST RATE STUDENT LOAN FOR ARCADIA GRADUATES

ANNIE COURTNEY STUDENT LOAN APPLICATIONS

Annie Courtney was a teacher in Glencoe's one room school house. When she retired she wanted to help students further their education so she developed the Annie Courtney Trust. Since its fruition, around 1951, the Trust has given many Arcadia high school graduates low interest rate loans to help them pay for tuition at a Wisconsin university or technical college.

1. Initial Loan Repayment Schedule:
 - Twenty-five per cent of the initial loan is to be repaid one year following graduation or termination of attendance at institution of advanced learning.
 - The remaining seventy-five percent of initial loan is to be repaid by end of the second year following graduation or termination of attendance at institution of advanced learning
2. Subsequent loans, if any:
 - Second loan is due at the end of the third year following graduation or termination of attendance at institution of advanced learning.
 - Third loan is due at the end of the fourth year following graduation or termination of attendance at institution of advanced learning.
 - All additional loans are due at the end of the fifth year following graduation or termination of attendance at an institution of advanced learning.
3. Advance repayment:
 - The above schedule is in no way intended to prevent earlier repayment of your loans.
 - You are urged to repay loans as soon as possible. This will ensure the existence of the Annie Courtney Student Loan fund for future graduates of Arcadia High school who also need financial aid to attend institutions of advanced learning.
4. Interest on all loans will be 3% per annum.
(Interest accrues from the 1st day of the new quarter following completion of his/her undergraduate degree or termination of attendance at institution of advanced learning.)
5. All repayments must be made according to the above repayment schedule. No extensions of the due date will be granted. If you are unable to fulfill the due date obligations we urge you to contact a financial institution for the refinancing of your loans.

Annie Courtney student loan applications will be accepted until **Friday, August 1, 2025**. Applicants must be attending an institute of higher education in Wisconsin, be a graduate of Arcadia High School, and have acceptable grades and the ability to complete a degree to qualify for a loan. Applications can be picked up in the **District Office** at the Wanek Center or the **High School Office** at the Arcadia High School between the hours of 8:00 a.m. until 4:00 p.m. Monday – Friday.

MIDDLE SCHOOL EARNS 5-STAR RATING –FOR THE 3rd YEAR

Arcadia Middle School is proud to announce that we have achieved an overall rating of 5 stars – Significantly Exceeds Expectations on the Wisconsin Department of Public Instruction (DPI) School Report Card! This will be our third year earning this fantastic rating. This distinction highlights the outstanding efforts of our students, staff, and families in fostering a high-quality learning environment.

The DPI School Report Card is part of Wisconsin's accountability system, providing a comprehensive evaluation of every publicly funded school and district in the state. The report card measures performance across four key Priority Areas: Achievement, Growth, Target Group Outcomes, and On-track to Graduation.

Earning a 5-star rating is a testament to our commitment to ensuring that ALL students learn and our dedication to inspiring and empowering students for future success. This achievement reflects the hard work of our teachers, the support of our families, and the determination of our students to meet high expectations.

Thank you to everyone who contributes to the success of our school community. Together, we continue to build a brighter future for Arcadia Middle School Students!

2ND GRADERS LEARN ABOUT ELECTRICAL SAFETY

A big thank you to Brody Back, an Arcadia alumnus, and Brandon Lee for visiting our second graders and sharing an important lesson on electrical safety! Despite their busy schedules, they took the time to teach our students about the dangers of electricity in a fun and memorable way.

The presentation included a short video, a live demonstration, and even the chance for students to try on real safety gear. The highlight of the visit was seeing the boom truck in action as it was raised high into the air!

Thank you, Riverland Energy, for helping our students stay safe and informed!

AHS MASQUERS TO STAGE – THE BUTLER DID IT

Arcadia High School Masquers proudly presented a comedic mystery play featuring classic detectives in The Butler Did It by Tim Kelly on **Friday, March 28 & Saturday, March 29, 2025**. The production was held in the Arcadia High Auditorium, giving students the opportunity to creatively express their theatrical talents.

The comedy parodies every English mystery play ever written: but it has a decidedly American flair. Miss Maple (**Linsy Cruz Angel**), a dowager with a reputation for "clever" weekend parties, invites a group of detective writers: Father White (**Wyatt George**), Chandler Marlowe (**Michael Llanos**), Linh Fan (**Emy Chama Laureano**), Rick Carlyle (**Miguel Pablo-Lopez**), Laura Carlyle (**Katie Amundson**), Peter Flimsey (**Luis Alejo**), and Charity Haze (**Gabby Coronado Perez**) to eerie Ravenswood Manor on Turkey Island where they are to impersonate their fictional characters. The hostess has arranged all sorts of amusing incidents: mysterious voices on the radio (**Xitali Hernandez-Ortiz** and **Bryan "Edwin" Hernandez Rojas**), a menacing face at the window, a mad killer on the loose. Who is that body in the wine cellar anyway? Why do little figurines keep toppling from the mantle? Then a real murder takes place, and Miss Maple is outraged. She offers an immense

reward to the "detective" who can bring the killer to justice. And what an assortment of zany would-be sleuths! When they're not busy tripping over clues, they trip over each other! Don't forget lurking about is a hapless house maid, Haversham (**Brianna Juan Dominguez**) and a social secretary, who stalks around clutching her hat box and sneaking up on everybody Miss Eyelesbarrow (**Stephany Carreon Accosta**). Laughs collide with thrills, and the climax is a real seat-grabber as the true killer is unmasked, and almost everyone turns out to be someone else!

Director Mrs. Lisa S. Schock lead the acting ensemble and the production work crew from props, to costumes, to publicity, to scenery and everything else in between as well as the run crew consisting of: Sound **Carlie George**, Lights **Shayla Rodriguez**, Videographer **Diana Juarez**, Ushers **Jenifer Coronado Perez & Rosaisela Montalvo Macuixtle**, and Tickets **Namoi Fuentes Lauriano & Heidi Hernandez**. Thank you to the Arcadia Community for your fine arts support and we sincerely appreciate all that you do for the School District of Arcadia and especially AHS Masquers. See you next year!

MIDDLE SCHOOL AND HIGH SCHOOL STATE ART WINNERS

Youth Art Month (YAM) is an annual observance each March to emphasize the value of art and art education for all children and to encourage public support for quality school art programs. Established in 1961 and sponsored by the Council for Art Education, Inc., YAM provides a forum for acknowledging skills that are not possible in other subjects. Art education develops self-esteem, appreciation of the work of others, self-expression, cooperation with others, and critical thinking skills. All these skills are vital to the success of our future leaders, our children.

Over 250 entries were sent in for our YAM flag design. The flag designs were created by young artists from kindergarten through high school. 12 entries were selected for honorable mention and a winning design created by Aubrey Keller from Fort Atkinson Middle School. Aubrey's design has been recreated as a large flag. This flag will be part of the Youth Art Month display in Madison as well as displayed at the National Art Education Association Convention in Louisville, Kentucky in March. Youth Art Month State Exhibit in Madison, Wisconsin.

Alejandra Moreno, a fifth grade student from Arcadia was one of the 12 students receiving an honorable mention for her flag design. She will be honored in Madison at the state exhibit.

Yamileth Alejo Rubio, a senior at Arcadia High School, will be presenting Arcadia with an acrylic painting she created in Foundations of Art. Yami will also be receiving a State Award from Blick on her weaving created in Fiber Arts class. Mrs. Susanna Schlosstein, (art teacher) is very proud of the creativity, hardwork and quality craftsmanship that Yamileth applies to her art.

Savannah Densmore, Britney Aguilar Rojas, Maria Lopez Rosario, and Stephany Carreon Acosta will also be representing Arcadia with beautiful works of art at the state level.

Here are the 5 Artists whose work made it to the State.

HS SOFTBALL TEAM SPRING TRIP TO FLORIDA

From March 23rd to March 27th, the Arcadia High School softball team took an unforgettable spring trip to Orlando, Florida. This experience was made possible through the dedication and personal funding of each participant. For some of the girls, it was their first time flying or traveling away from home, making the trip even more special.

Our travel group included 14 players, 2 coaches, and a few supportive parents. We stayed at the Cabana Bay Beach Resort,

where we were able to practice daily, scrimmage, and compete in games against teams from Ohio and Illinois. The sunny Florida weather was a welcome change and allowed us to get out on the fields—something that's a rare treat for March in Wisconsin!

Beyond softball, the trip was packed with fun and team bonding. We had two nights of excitement at Universal Studios, a party at Volcano Bay water park, and plenty of time to relax by the resort pools. We also went bowling as a team and enjoyed just being together, building stronger connections and unforgettable memories.

Throughout the trip, our girls represented Arcadia High School with pride. I received multiple compliments on how respectful, well-behaved, and kind they were—true reflections of the great character they bring both on and off the field.

This spring, come support this amazing group of young women. They're not only talented athletes, but they're also an incredible team with a bright season ahead!

Boletín de Mayo Desde el Escritorio del Superintendente

Este último año ha estado lleno de acontecimientos y ha sido gratificante, marcado por nuestro traslado a esta área y la finalización de mi primer año como superintendente. Este primer año ha sido un año de profundo aprendizaje, resistencia y desafíos inesperados. Me incorporé a este papel con la visión de hacer de este el mejor distrito escolar de la zona y rápidamente nos encontramos navegando por las duras realidades, incluyendo los déficits financieros que nos llevaron al Referéndum Operativo el 1 de abril de 2025.

Como todos sabemos, el Referéndum Operativo no fue aprobado, pero el camino recorrido a lo largo del proceso trajo claridad a las necesidades de nuestro distrito y un renovado sentido de propósito: el firme compromiso de proporcionar una excelente educación para TODOS los estudiantes. Este es y sigue siendo nuestro compromiso, incluso frente a las decisiones difíciles que tenemos por delante para enderezar nuestros asuntos financieros.

Las conversaciones a las que nos enfrentamos en un futuro próximo no serán fáciles, pero hay que hacerlas. Nos encontramos en una crisis financiera en la que será necesario un esfuerzo de equipo para corregirla. Este proceso tendrá que ser transparente y veraz, con decisiones críticas que se tomarán en los próximos meses y que incluirán reducciones que podrían no ser populares. Incluso con estos retos por delante, tenemos que seguir centrados en el compromiso con nuestros estudiantes. El éxito para ellos es el éxito para nuestra comunidad.

Hemos demostrado un gran éxito en cada uno de nuestros edificios. Este año, hemos hecho avances increíbles en nuestros resultados de evaluación en la Escuela Primaria. Aunque todavía no estamos donde nos gustaría estar de acuerdo con nuestra calificación del Informe Escolar, estamos haciendo progresos constantes gracias a los esfuerzos de nuestro increíble personal. Nuestra Escuela Secundaria sigue avanzando y obtuvo un notable Excede Significativamente las Expectativas. Al igual que en la Escuela Primaria, nuestro personal está continuamente trabajando duro para mejorar la instrucción y apoyar los logros académicos de nuestros estudiantes. Aunque la Escuela Preparatoria no tuvo la puntuación general que hubiéramos esperado, mejoramos con respecto al año anterior. Un punto clave fue que pudimos mejorar en las cuatro áreas prioritarias, y nuestra tasa de graduación mejoró a un impresionante 95%. Grandes cosas están sucediendo en nuestro distrito.

Es importante saber que nuestros estudiantes y personal son el corazón de nuestro distrito. Ambos están presentes y comprometidos con nuestra misión - El Distrito Escolar de Arcadia es una comunidad de aprendizaje profesional que existe para asegurar que TODOS los estudiantes aprendan. Mientras continuamos desarrollando y mejorando nuestras escuelas para apoyar a TODOS nuestros estudiantes, nuestro personal ha aceptado el reto y está haciendo la diferencia. Sin este equipo trabajador, no estaríamos viendo las mejoras que estamos viendo a través del distrito.

Puede que nos enfrentemos a decisiones presupuestarias difíciles; sin embargo, no nos quedamos quietos ni nos rendimos. Ya estamos sentando las bases para mejorar la forma en que servimos a nuestros estudiantes para garantizar que estén preparados para las exigencias de nuestro mundo cambiante. Estamos utilizando herramientas digitales, como la IA (Inteligencia Artificial), para mejorar la capacidad de instrucción del personal, así como para apoyar a los estudiantes en sus niveles académicos. La tecnología se está desarrollando a un ritmo acelerado y tenemos que equipar a nuestros estudiantes con las habilidades necesarias para apoyarlos no solo ahora, sino también en el futuro.

Este primer año me ha enseñado que tengo que ser el Búfalo. ¿Por qué el búfalo? Cuando se acerca una tormenta, los búfalos no huyen, giran y la afrontan de frente, soportando lo que la tormenta pueda traer. A lo largo de este primer año, me he enfrentado a retos y decisiones difíciles; sin embargo, creo que hemos navegado a través de ellos con valentía y claridad. Sigo estando agradecida por la confianza que esta comunidad ha depositado en mí para liderar nuestro distrito y estoy segura de que juntos podemos construir la grandeza. #BELIEVE.

LEY DE INMUNIZACION DE ALUMNOS – REQUISITOS SEGÚN EDAD/GRADO

LEY DE INMUNIZACIÓN DE ALUMNOS REQUISITOS SEGÚN EDAD/GRADO (STUDENT IMMUNIZATION LAW AGE/GRADE REQUIREMENTS)

A continuación, se detallan las mínimas vacunas requeridas para cada edad y nivel de grado según la Student Immunization Law (Ley de Inmunización de Alumnos) de Wisconsin. Estos requisitos pueden no exigirse por razones de salud, religión o creencias personales. Pueden recomendarse otras vacunas para su hijo según la edad que tenga. Comuníquese con su médico o departamento de salud local para determinar si su hijo necesita otras vacunas.

Tabla 144.03-A
Vacunaciones requeridas para el año escolar 2021-2022 y los siguientes años escolares

Edad/grado	Vacunas requeridas (número de dosis)								
De 5 a 15 meses	2 DTP/DTaP/DT		2 Polio			2 Hep B	2 Hib	2 PCV	
De 16 a 23 meses	3 DTP/DTaP/DT		2 Polio	1 MMR		2 Hep B	3 Hib	3 PCV	
De 2 a 4 años	4 DTP/DTaP/DT		3 Polio	1 MMR	1 Var	3 Hep B	3 Hib	3 PCV	
De kínder a 6.º grado	4 DTP/DTaP/DT		4 Polio	2 MMR	2 Var	3 Hep B			
De 7.º grado a 11.º grado	4 DTP/DTaP/DT	1 Tdap	4 Polio	2 MMR	2 Var	3 Hep B			1 Mening

- Los niños mayores de 5 años que estén inscritos en una clase de prekínder deben ser evaluados según los requisitos de vacunación para el alumnado de kínder a 5.º grado, que normalmente corresponderían a la edad del niño.
- Vacuna contra la D= difteria, T= tétanos, P= tos ferina. Vacuna contra la DTaP/DTP/Td para todos los estudiantes desde el prekínder hasta el 12.º grado; se requieren cuatro dosis. Sin embargo, si un estudiante recibió la 3.ª dosis después de cumplir los 4 años, no se requieren más dosis. **Nota:** También es aceptable una dosis cuatro días o menos antes de cumplir los 4 años.
- Vacuna contra la DTaP/DTP/DT para los niños que ingresan a kínder: cada estudiante debe haber recibido una dosis después de cumplir los 4 años (ya sea la 3.ª, 4.ª o 5.ª dosis) para cumplir con los requisitos. **Nota:** También es aceptable una dosis cuatro días o menos antes de cumplir los 4 años.
- La Tdap es una vacuna contra el tétanos, la difteria y la tos ferina acelular para adolescentes. Si un estudiante recibió una dosis de una vacuna que contiene tétanos, como la Td, en un plazo de cinco años antes de entrar al grado en el que se requiere la Tdap, el estudiante cumple con los requisitos y no se requiere una dosis de la vacuna contra la Tdap.
- Vacuna contra la polio para los estudiantes que ingresan a kínder hasta el 12.º grado; se requieren cuatro dosis. Sin embargo, si un estudiante recibió la 3.ª dosis después de cumplir los 4 años, no se requieren más dosis. **Nota:** También es aceptable una dosis cuatro días o menos antes de cumplir los 4 años.
- También es aceptable la evidencia de laboratorio de inmunidad a la hepatitis B.
- La MMR es una vacuna contra el sarampión, las paperas y la rubéola. La primera dosis de la vacuna MMR debe recibirse al año de vida o antes. También es aceptable la evidencia de laboratorio de inmunidad a las tres enfermedades (sarampión, paperas y rubéola). **Nota:** También es aceptable una dosis cuatro días o menos antes de cumplir el primer año.
- La vacuna contra la varicela. No es necesario que los estudiantes que tengan un historial confiable de la enfermedad de la varicela reciban la vacuna contra la varicela. Un médico, un asistente médico o un enfermero prescriptor de práctica avanzada debe documentar un historial confiable de la varicela, que indique que el estudiante tuvo varicela y debe firmar el Student Immunization Form (Formulario de vacunación estudiantil) (formulario 04020L del DHS). Al estudiantado (sin incluir a los nuevos ingresantes y estudiantes de kínder) con un informe de enfermedad presentado por la familia anterior a mayo de 2024 se lo considera en cumplimiento.
- Se exige una dosis de la vacuna meningocócica (serogrupo A, C, W, Y) para el estudiantado que ingresa al 7.º grado y una dosis de refuerzo para el estudiantado que ingresa al 12.º grado. Se evalúa este requisito en el estudiantado de 7.º grado y de 12.º grado solamente. No se evaluará este requisito en el estudiantado de Wisconsin de 8.º a 11.º grado sino hasta que ingresen al 12.º grado. No se exige una segunda dosis para el estudiantado que recibió su primera dosis de MenACWY a los 16 años.
