How to Use the MyPowerHub Schedule Tile

---

1. What Is the Schedule PowerTile?

This tile is part of the PowerTiles on the MyPowerHub homepage. It provides a quick glance at your student's classes for the current day, including details like room numbers, teacher names, and start/end times.

---

2. Locating and Understanding the Schedule Tile

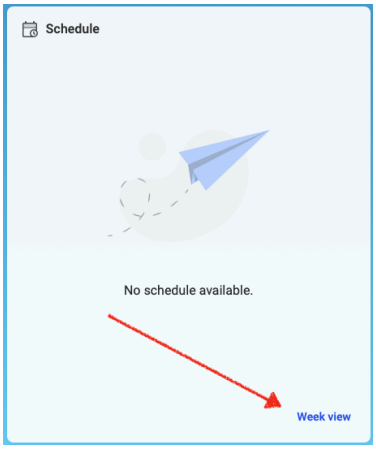

- **Log in to MyPowerHub using your parent or student account.**
- **The Schedule PowerTile appears along with other interactive tiles (Grades, Assignments, Newsfeed, etc.) on the Overview/Home tab.**
- **Within this tile, you'll see a condensed view of today's classes at a glance.**

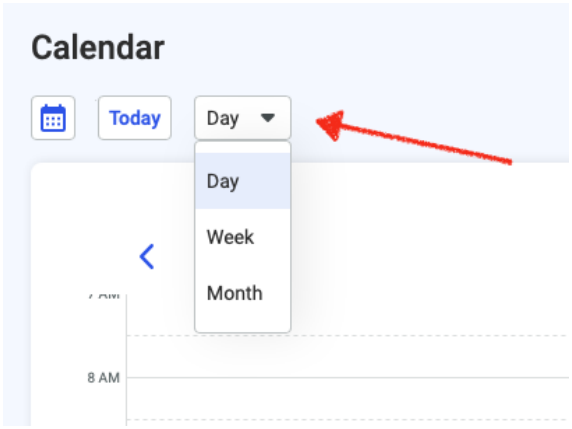

---

3. Viewing the Full Calendar

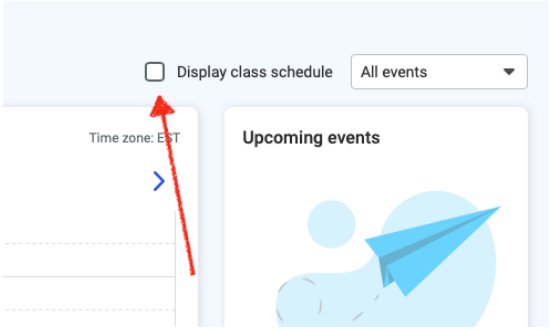

To get more context or see beyond today's schedule:

A. Use the Week View:

1. **Toggle the Check mark “Display class Schedule”**

This shows a full-week schedule—toggle between weeks using the forward/back arrows.

B. Viewing Details:

Click on any class or event title to open a detailed pop-up with additional information.
