Parent and Family Engagement (PFE) Program	
What is it?	<p>L.B. Johnson Elementary School is committed to our vision:</p> <p><i>At LBJ Elementary School, we envision a dynamic and inclusive learning environment where every student is inspired to achieve academic excellence, embrace their unique talents, and become compassionate, responsible global citizens. Through innovative teaching, a nurturing community, and a commitment to lifelong learning, we strive to empower our students to reach their full potential and make a positive impact on the world.</i></p> <p>We strive to provide high-quality education individualized for each student by developing and maintaining relationships with families and the community. One way we continue to do this is by participating in the Title 1, Par A State Program. This program provides funding for low socioeconomic schools. In return, we promise to meet the expectations laid out for us by the Texas Education Agency and the United States Department of Education.</p>
Funding	Title 1 Funds will be allocated for the implementation of the parent and family engagement program. Such programs, activities, and procedures will be planned and implemented with meaningful consultation with parents of participating children.
Review	All use of funding and activities can be reviewed by the Texas Education Agency upon request to ensure that they meet the need of the PFE program.
Family Meetings	Parent meetings offer a time for the school and family to communicate necessary information. These meetings will always take place in the cafeteria or library.
