With your support, we can achieve the following:

Research & Records
Ensuring accurate records are found when necessary and maintained with accuracy makes it possible to honor all of those deserving in the history of Titan Athletics.

Advocacy
Continuous and vocal support of the importance of our athletic legacy will keep these accomplishments as those to be celebrated and remembered.

Legacy
With over 50 years of Titan Athletics, we have a huge responsibility to recognize those involved dating back to Tartan's beginnings in 1971.

Celebration
Not only will our inductees be honored and memorialized in an elegant display at Tartan High School, they will be recognized on our athletic field during a halftime presentation followed by a rewards banquet in our brand new gym facility.

Other Awards
Our hope it to secure funding establishing annual scholarships that assist in funding travel and accommodations for inductees no longer local to Tartan High School.

Future Growth
Additional funding will allow for growth into the areas of current athlete sponsorship, collegiate scholarships, and more!

Since 1971, countless athletes, teams, coaches, and supporters have gone unrecognized for their contributions to Tartan High School Athletics.

Now is our time to change what is so long overdue.
