August 2025

Dear 5th Grade Scholars & Families-

Welcome to Fifth Grade! This year is a huge transition year where students learn, grow, and assume more responsibility for their learning in preparation for middle school! Being the oldest students in the building, you will be the role models for all your younger peers! There will be so many incredible opportunities for you this year.

There are also several unique events for 5th graders! From immersive field trips, being safeties, to your moving up ceremony, there are many chances for fun, music lessons, learning, and leadership. We will be switching classes for Humanities (Writing/ Social Studies) and Math! There are amazing projects that involve research, technology, and your creativity!

We look forward to learning so much about each of you and what makes you unique. We have such an exciting year ahead of us! Before the school year begins, we wanted to make sure you were aware of a very special event happening on **Wednesday September 3rd at 1:00pm**! There will be a presentation in the auditorium and then a chance to visit your classroom to drop off supplies. We will gladly accept donations of Kleenex, disinfectant wipes, paper towels, and hand sanitizer for our classrooms!

Do not worry if you don't have all your supplies that day. We will still be preparing our classrooms and so the room won't be fully ready but there will be a space to put your things. It's a great time to meet each other and get all the important information for the start of school.

We are thrilled to start this journey together! We cannot wait to make memories, learn together, and expand your knowledge. Enjoy the rest of your summer and we will see you soon!

Sincerely,
Mr. Jason Ford (he/him)
Mrs. Lisa Rojas (she/her)
Mrs. Jackie Bowser (she/her)
Mrs. Paula Fink (she/her)
Mr. Kasey Reynolds (he/him)
