

What is a School-Parent Compact?

It's a jointly developed plan that explains how parents, teachers, and other staff members will work together to ensure all students reach grade-level standards.

Effective Compacts:

- Link to academic achievement goals
- Focus on student learning
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to get involved in their child's education

Jointly Developed

Parents, staff, and students of Alma Redwine contributed to the development of this Compact.

Feedback from surveys, input at meetings, and evaluations of current parent involvement practices were all considered. Meetings are held each year to review and revise the compact based on the school's academic achievement goals and students' needs. Parent feedback is encouraged and welcomed at any time.
