Hall Passes

No student may leave the class room without the hall pass. Every 6 six weeks students will be given 4 "Wink Hall Passes". If a student must leave the room for personal reasons, which include going to the restroom, speaking with other teachers, making a phone call or any errand not requested by me, the student must give up a hall pass. I will determine when will be the best time for them to leave class. If they have no more passes, then they may not leave. Used passes may be cashed in for 2 test points at any time, but all extras must be turned in by the end of each six weeks to get credit.
