Notebook paper
Pencil or Pen
Red Pen
Highlighter

Grading Policy

50% Tests
50% Daily Work

Binder

You will keep a binder for my class that will be counted as a **test grade** at the end of each semester. **All** papers from my class will be placed in order and in the appropriate sections, which include: (you will be given a list)

Introduction (before 1st divider)

Cover sheet (you make this, includes name, class, period, teacher)

Safety rules and contract

This sheet (signed portion will be cut off and returned to Mrs. Migl)

Divider 1 - Daily Questions

Divider 2 - Notes

Divider 3 - Handouts (lab equipment sheet, charts, diagrams, and any other papers that aren't graded)

Divider 4 - Labs and Worksheets (any daily work that is graded)

Divider 5 - Tests and Quizzes

Late Work

20 points will be taken off for work turned in the day after it is due. An additional 10 points will be subtracted each following day up to 50 points. 10 points are deducted for work turned in the day it's due, but after the time it's due. Late work needs to be turned into the teacher, not placed in the tray.

Retests

Students will be allowed to retake tests. Example of how new test grade is determined:

Original test grade: 50 Max test grade for retest: 70 Difference between the 2: 20 points

Retest: 80 $80\% \text{ or } 20 = 16 \text{ pts}$ New Test Grade: $50 + 16 = 66$

Hall Passes

No student may leave the classroom without the purple hall pass. Every 6 weeks students will be given 3 "Migl Hall Passes". If a student must leave the room for personal reasons, which include going to the restroom, speaking with other teachers, making a phone call, getting a drink of water or any errand not requested by me, the student must give up a hall pass. I will determine when will be the best time for them to leave class. If they have no more passes, then they may not leave. Unused passes may be cashed in for 2 test points each at any time, but all extras must be turned in by the end of each **semester** to get credit.

Collections

You will be responsible for a plant collection in the Fall and an invertebrate collection in the Spring. Each will be weighed heavily and should not be put off until the end.

Google Classroom All students must join my google classroom to get updated information or to access certain resources. The code to join is **h30xz5xq**

Additional Classroom Rules

- No backpacks on the desks
- Phones should be off and put away in your bag, along with smart watches.

Detention

If detention is assigned, students will be expected to be in my classroom at 7:30 the next morning. During detention students will clean lab equipment, the classroom, or complete other duties assigned by me. Failure to attend or work during detention will result in 2 days of detention. If missed again, a discipline referral may be turned in.
