

Mrs. Migl's Anatomy and Physiology Honors Class

Materials

- 1" or 1.5" 3-ring binder (I have some used ones in my room, first come first serve)
- 1 package of 5 dividers (I also have some extras of these)
- Map Colors
- Notebook paper
- Pencil or Pen
- Red Pen
- Highlighter

Grading Policy

50% Tests/Major Projects

50% Daily Work

10 points will be added to the grade average at the end of the six weeks because this is an honors class
Since there is no regular A&P class, if you have not maintained an 80 average (with the 10 points) at semester, you will be moved to Environmental Systems for the second semester.

Binder

You will keep a binder for my class that will be counted as a test grade at the end of each semester. All papers from my class will be placed in order and in the appropriate sections, which include:

Introduction (before 1st divider)

Cover sheet (you make this, includes name, class, period, teacher)

Safety rules and contract

This sheet (signed portion will be cut off and returned to Mrs. Migl)

Divider 1 - Daily Questions

Divider 2 - Notes

Divider 3 - Handouts (lab equipment sheet, diagrams, and any other papers that aren't graded)

Divider 4 - Labs and Worksheets (any daily work that is graded)

Divider 5 - Tests and Quizzes

Late Work

20 points will be taken off for work turned in the day after it is due. An additional 10 points will be subtracted each following day up to 50 points. 10 points are deducted for work turned in the day it's due, but after the time it's due. Late work needs to be turned into the teacher, not placed in the tray.

Detention

If detention is assigned, students will be expected to be in my classroom at 7:30 the next morning. During detention, students will clean lab equipment, the classroom, or complete other duties assigned by me. Failure to attend or work during detention will result in 2 days of detention. If missed again, a discipline referral will be turned in.

Hall Passes

Every 6 weeks students will be given 2 "Migl Hall Passes". If a student must leave the room for personal reasons, which include going to the restroom, speaking with other teachers, making a phone call or any errand not requested by me, the student must give me a hall pass. I will determine when will be the best time for them to leave class. If they have no more passes, then they may not leave. Unused passes may be cashed in for 2 test points each at any time, but all extras must be turned in by the end of each semester to get credit. You may not use the passes on the semester exams.

Google Classroom All students must join my google classroom to get updated information or to access certain resources. The class code is **cjj4wk4s**
