Nuestros pasillos están listos para llenarse de tus risas, nuestras aulas ansiosas por llenarse de tus preguntas, y nuestros campos y escenarios esperan tu talento. A nuestro dedicado personal: maestros, administradores, personal de apoyo, conserjes, conductores de autobús, equipo de servicio de alimentos y todos los que hacen de las Escuelas Públicas de Fennville un lugar enriquecedor y dinámico para aprender, gracias. Su pasión, compromiso y esfuerzo incansable son la base de nuestro éxito. Nos complace tenerlos de regreso, listos para inspirar, guiar y empoderar a nuestros estudiantes. Esperamos con ansias otro año de espíritu colaborativo y propósito compartido.

Y a nuestras valiosas familias y miembros de la comunidad, su colaboración es lo que realmente hace de las Escuelas Públicas de Fennville un lugar especial. Ya sea padre, madre, tutor, abuelo, dueño de un negocio local, mentor o simplemente un vecino solidario, su participación enriquece enormemente nuestro ambiente escolar. OPORTUNIDADES

Ayudar en las Escuelas Públicas de Fennville es una experiencia significativa y agradable. Te da la oportunidad de marcar una diferencia real en la vida de los estudiantes y formar parte de una comunidad solidaria y solidaria.

¡No se trata solo de retribuir, se trata de sumarse a la diversión y crear grandes recuerdos!

Sé un Mentor: Nuestros Mentores Comunitarios de Primaria y Secundaria crean un ambiente de apoyo donde los estudiantes pueden forjar relaciones significativas con un adulto conectado. Los mentores brindan orientación, apoyo, motivación y amistad a través de 30 minutos de juegos, actividades y conversación. ¿Te interesa ser un Mentor? FES 269-722-3850 FMS 269-722-3550

PTO y PTSO: El PTO de la escuela primaria se esfuerza por conectar a las familias con la escuela y el personal de FES. La PTSO de la Escuela Intermedia es un grupo de personas solidarias que trabajan juntas para apoyar a los educadores y facilitar la transición entre la escuela y el hogar en FMS. Conéctese con la PTO o la PTSO en Facebook o comuníquese con las secretarias de los edificios: FES 269-722-3850 FMS 269-722-3550

Impulsores Deportivos: Los Impulsores Deportivos de Blackhawk brindan apoyo financiero según las necesidades de todos los equipos deportivos de secundaria y preparatoria, incluyendo los deportes de club. ¡Siempre se necesitan voluntarios para ayudar en el puesto de comida en los partidos en casa! ¿Te interesa participar? Conéctate con los impulsores en Facebook o asiste a una reunión el segundo lunes de cada mes a las 6 p. m. en la Sala de Medios de la Preparatoria. Visita fennville.org/athletics/boosters para más información.

Entrenador de Recreación Comunitaria: Entrenar deportes juveniles es una experiencia gratificante. Cuando los niños se divierten practicando deportes, se mantienen involucrados, el espíritu de equipo se fortalece y el rendimiento personal mejora. Los entrenadores marcan la pauta para lograr esa diversión mediante la atención, la comunicación positiva y el desarrollo de habilidades bien estructurado en los entrenamientos y partidos. ¿Te interesa ser entrenador? ¡Resumen del verano de la escuela primaria!

¡Nuestros alumnos de la escuela de verano se lo están pasando genial en la Escuela Primaria Fennville! Estamos muy agradecidos por nuestra continua colaboración con el Centro de Descubrimiento al Aire Libre de la Red ODC. Mientras nuestro increíble personal imparte clases en grupos pequeños en interiores, el equipo de ODC lleva el aprendizaje al aire libre, involucrando a los alumnos mediante experiencias creativas y prácticas que refuerzan los conceptos del aula.

Durante el verano, nuestros estudiantes exploraron el bosque, practicaron kayak y aprendieron todo sobre supervivencia, ¡tanto para humanos como para animales! También disfrutamos de divertidos días de ciclismo con VeloCity, conocimos a una mofeta y a un conejo durante las visitas a los animales y, para culminar, disfrutamos de una emocionante excursión al Centro de Descubrimiento al Aire Libre.

Cada día nos llenó de sonrisas y risas: ¡gracias a nuestro personal, socios y familias por ayudarnos a hacer de esta una experiencia tan agradable y enriquecedora!

¡Resumen del verano de la escuela secundaria!

Durante el verano, la Escuela Intermedia Fennville y el Campamento de Aventuras al Aire Libre han estado ocupados explorando, descubriendo y divirtiéndose. ¡Los estudiantes surcaron los cielos, sumergiéndose en todo lo relacionado con el vuelo! Desde la biomimética y las aves rapaces hasta los aviones y planeadores, los estudiantes exploraron la ciencia detrás del vuelo. La semana concluyó con una emocionante excursión al Aeropuerto Regional del Oeste de Michigan, donde los estudiantes recorrieron las instalaciones, vieron despegar un avión a reacción y aprendieron sobre el programa gratuito Flight Path, disponible para estudiantes de secundaria y preparatoria.

Los estudiantes pasaron una semana explorando la belleza de la naturaleza en Fennville. Se convirtieron en "Influencers de la Naturaleza", tomando fotos para compartir sus espacios al aire libre favoritos en redes sociales. La semana terminó con un divertido día de pesca y exploración en el campus Holland del Centro de Descubrimiento al Aire Libre.

ANNUAL COMPLIANCE NOTIFICATIONS

Integrated Pest Management

State of Michigan law requires schools and day care centers that may apply pesticides on school or day care property to provide an annual advisory to parents or guardians of the students attending the facility. Please be advised that Fennville Public Schools and day care programs utilize an Integrated Pest Management (IPM) approach to control pests. IPM is a pest management system that utilizes all suitable techniques in a total pest management system with the intent of preventing pests from reaching unacceptable levels or to reduce an existing population to an acceptable level. Pest management techniques emphasize sanitation, pest exclusion, and biological controls. One of the objectives of using an IPM approach is to reduce or eliminate the need for chemical applications of pesticides. However, certain situations may require the need for pesticides to be utilized. As required by the State of Michigan law, you will receive advance notice regarding the non-emergency application of a pesticide such as an insecticide, fungicide or herbicide, other than a bait or gel formulation, that is made to the school or day care grounds or buildings during this school year. In certain emergencies, such as an infestation of stinging insects, pesticides may be applied without prior notice to prevent injury to students, but you will be notified following any such application. Advance notification of pesticide applications, other than a bait or gel formulation, will be given by at least two methods. The first method will be by posting at the main entrance to the school/day care center, which is located at the front entrance of each building. The second method will be by the electronic notification of the School Messenger broadcast system. Additionally, pesticide applications will be posted on the school website, in the Notices and Publications section. Please be advised that parents or guardians of children attending the school or day care center are entitled to receive the advance notice of a pesticide application, other than a bait or gel formulation, by first class United States mail postmarked at least three days before the pesticide application, if they so request. If you prefer to receive the notification by first class mail, please contact the individual listed below for the required form. Please be advised that parents or guardians of children attending the school may review the school's Integrated Pest Management program and records of any pesticide upon request. The Tobacco Free Schools Act bans the use of tobacco products in all buildings and on all properties owned or operated by our school district. It prohibits the use of all forms of tobacco on school grounds, buildings, parking lots, in school vehicles, and in private vehicles on school premises.

This law is enforced by local police agencies. Violations constitute a misdemeanor and can result in a fine up to $50.

Our staff are asked to assist in the communications of the law's requirements to students, guests, parents, and other visitors to our facilities. Appropriate signs are currently posted at entrances to our buildings.
Thank you for your assistance with this requirement.
