RE: Engagement Letter for School Solicitor Services

Dear Dr. Winslow:

As I previously shared with you, effective April 1, 2025, I and the rest of my colleagues at Stock and Leader will be joining the law firm of Saxton & Stump. I have very much enjoyed working with Derry Township School District in the past, and I look forward to continuing that relationship in the future.

Please excuse the formality of this letter, but the Rules of Professional Conduct for attorneys require that we enter into a written agreement describing the basis upon which you will be charged for professional services performed by Saxton & Stump moving forward. In addition, I thought that it would be helpful to confirm the scope of our engagement and to provide you with a general overview of Saxton & Stump's billing procedures. This letter, and the attached General Provisions, set forth the terms and conditions upon which my new colleagues at Saxton & Stump and I will perform legal services for you.

Scope of Engagement

The scope of the legal services we provide you after the move to Saxton & Stump will be the same scope of services we provided to you at Stock and Leader, namely as solicitor for the District and any and all other services mutually agreed upon by all parties.

Fees and Staffing

As stated in previous communication, our hourly rates will be maintained at the current rates charged to the District, consistent with our engagement for the 2024-2025 fiscal year. Those rates will remain in effect from the time we join Saxton and Stump through June 30, 2025. To confirm, our current hourly rates for the District are as follows:

General Solicitor Work

$235.00 for Shareholders / Senior Counsel
$215.00 for Associates
$145.00 for Paralegals or other professionals

Labor/Employment and Special Education

$255.00 for Shareholders / Senior Counsel
$220.00 for Associates
$145.00 for Paralegals or other professionals

Stock and Leader has historically issued an annual re-engagement letter to the District seeking our appointment for an additional year and establishing the applicable hourly rates for that year. Because the District is appointing Saxton and Stump at this time, we believe it is appropriate and most efficient to also confirm our engagement for the 2025-2026 fiscal year and establish the hourly rates. Please understand that despite our decision to join Saxton and Stump, the rate adjustments listed below are intended to remain consistent with our longstanding practices. Further, the fees listed below align with our continuing commitment to ensure that there is no market variation in rates across clients.

General Solicitor Work

$245.00 for Shareholders / Senior Counsel
$225.00 for Associates
$95.00 - $155.00 for Paralegals or other professionals

Labor/Employment, Special Education, Construction

$265.00 for Shareholders / Senior Counsel
$230.00 for Associates
$95.00 - $155.00 for Paralegals or other professionals

In future years, hourly rates will be reviewed and adjusted periodically to reflect increased experience, the special expertise of the professionals, and the inflationary cost increases affecting our profession.

Insurance Defense Work

When a claim or pre-claim is made, the defense costs for our work as your attorneys may be covered in part or in whole by your insurance company. In insurance defense work, most commonly in special education (due process complaints), employment, and other liability cases, the insurance company covering such defense costs typically only reimburses defense counsel fees at a reduced rate that they negotiate with the individual law firm. Thus, our regular rates for that work (outlined above) will be billed to you directly on an insurance matter until the deductible is met (at the fee rate prescribed by the insurance company). Thereafter, you are expected to pay our monthly bills at the rates listed above, and we then will (1) work directly with the insurance company to ensure appropriate updates, budgets, and case analyses; (2) monitor application of any insurance deductible and/or cost-sharing requirements; and (3) regularly submit claims for your reimbursement at the negotiated insurance rates on your behalf to the insurance company, with the appropriate insurance codes. In all cases in which insurance coverage may be available, the ultimate responsibility for payment of our charges will remain with you.

Bond Work and Fee

Any work we do as bond counsel will be billed on a flat fee basis with the fee to be determined at the time of issuance and will be dependent upon the size and type of issue.

Saxton & Stump operates as a Firm - a client who retains a particular lawyer in fact retains the entire Firm and has at his or her disposal all the expertise and resources that the Firm can bring to bear. Therefore, from time to time, I may seek assistance from or assign primary responsibility for a project to another lawyer who has significant experience in the area involved and who is for that reason in a position to do the work as efficiently as possible. In assigning work within the Firm, I will obviously strive as I always have to achieve the most efficient mix of seniority and expertise, with the goal of providing the most effective representation to our clients on an economical and cost-efficient basis.

It is Saxton & Stump's practice to forward periodic statements monthly. Invoicing terms are Net 15 unless another arrangement has been discussed and agreed to in advance.

If this is acceptable to you, please kindly sign a copy of this letter where indicated and return it to me at your earliest convenience.

By signing below, you are both agreeing to the terms of this engagement letter and authorizing the transfer to Saxton & Stump of all files and retainers relating to your current matters being handled by Stock and Leader.

My new colleagues at Saxton & Stump and I are very pleased to have this opportunity to be of service and to work with you. Thank you.

Very truly yours,

SAXTON & STUMP

I have read and understand the terms and conditions set forth in this letter and agree to them.

Accepted and agreed to this 24th day of March 2025

General Provisions

Except as modified by the accompanying engagement letter, the following provisions will apply to the relationship between Saxton & Stump and our clients:

The time for which a client will be charged wilt include, but will not be limited to, telephone and office conferences with a client and counsel, witnesses, consultants, court personnel, and others; conferences among our personnel; factual investigation; legal research; responding to clients' requests to provide information to auditors in connection with reviews or audits of financial statements; drafting of letters, pleadings, briefs, agreements, and other documents; travel time; waiting time in court, closings, or elsewhere; and time in depositions and other discovery proceedings.

From time to time, internal conferences on a client's matter will take place among our personnel, and two or more may attend such conferences. It is our experience that this practice facilitates communication, improves the quality of the work, and ultimately is more efficient and economical.

In addition to our fees, we will be entitled to payment or reimbursement for disbursements and other expenses incurred on behalf of a client such as photocopying, messenger and delivery, air freight, computerized research, videotape recording, travel (including mileage, parking, airfare, lodging, meals, and ground transportation), long-distance telephone calls, telecopying, postage, court costs, transcripts, and filing fees. To the extent that we directly provide any of these services, we reserve the right to adjust the amount we charge, at any time or from time to time, as we deem appropriate, considering our direct costs, our estimated overhead allocable to the services, and outside competitive rates. Unless special arrangements are made, fees and expenses of others (such as experts, investigators, witnesses, consultants, and court reporters) and other large disbursements (more than $300) will not be advanced by our firm and will be the responsibility of, and paid directly by, the client.

Although we may, for a client's convenience, furnish estimates of fees or expenses that we anticipate will be incurred on a client's behalf, these estimates are subject to unforeseen circumstances and are by their nature inexact. We are not bound by any estimates except as otherwise expressly set forth in the engagement letter or otherwise agreed to by us in writing.

Either at the beginning or during our representation, we may express our opinions or beliefs concerning the matter or various courses of action and the results that might be anticipated. Any such statement made by any attorney or other employee of our firm is intended to be an expression of opinion only, based on information available to us at the time, and is not a promise or guarantee of any particular result.

A client shall have the right at any time to terminate our services and representation upon written notice to the firm. Such termination shall not, however, relieve the client of the obligation to pay

for all services rendered and disbursements and other expenses made or incurred on behalf of the client prior to the date of termination and for services rendered and expenses incurred after such date to the extent they are required to protect our client's interests or as may be required by appropriate authorities.

We reserve the right to withdraw from our representation with our client's consent or without consent for good cause. "Good cause" may include the client's failure to honor the terms of the engagement letter, the client's failure to pay amounts billed in a timely manner, the client's failure to cooperate or follow our advice on a material matter, or any fact or circumstance that would, in our view, impair an effective attorney-client relationship or would render. our continuing representation inappropriate, unlawful, or unethical. If we elect to do so, the client will take all steps necessary to free us of any obligation to perform further, including the execution of any documents (including forms for substitution of counsel) necessary to complete our withdrawal, and we will be entitled to be paid for all services rendered and disbursements and other expenses made or incurred on behalf of the client prior to the date of withdrawal and for services rendered and expenses incurred after such date to the extent they are required to protect our client's interests or as may be required by appropriate authorities.

We have found that our clients have become increasingly reliant upon various forms of electronic communication, such as e-mail, cellular telephones, other Internet communications, and electronic telefax (collectively, "Electronic Communications"), for purposes of day-to-day business communications. We note, however, that Electronic Communications may be inherently less secure than some traditional methods of communication (hard-wired telephones and telefax, U.S. mail, and commercial couriers, for example) and involve a risk of interception by unauthorized third parties. We understand that, because of the convenience and efficiency of Electronic Communications, you are willing to accept the risk of unauthorized interception and authorize us to communicate with you (and with others with whom we have dealings in connection with the matters we are handling for you) by means of Electronic Communications, unless you advise us in writing to the contrary.

We will maintain any necessary documents (including any electronic copies) relating to this matter in our client files. Once our engagement in this matter is concluded, we will send you notice advising that the engagement is over. You may thereafter direct us as to which, if any, of the documents in our files you wish us to make available to you. These documents will be delivered to you within a reasonable time after receipt of payment for outstanding fees and costs, subject to applicable rules of attorney conduct. We will retain any remaining documents in our files for a certain period, after which we will destroy them in accordance with our file retention guidelines.

Following the completion of this matter, the firm will not be precluded from accepting any other engagement on behalf of a client that may be adverse to you if such engagement is unrelated to the scope of our representation in this matter as described above and provided,

of course, that any and all information that may be disclosed to the firm in the course of this matter shall not be disclosed to any former, current or future client of the firm.

W I T N E S S E T H:

WHEREAS, the Developer is the legal or equitable owner of certain real estate bearing Dauphin County PIN 24-032-019, generally described as the Derry Township School campus, within the Hershey Mixed Use zoning district and the O5, Governor Road and floodplain overlay districts; and

WHEREAS, the Developer has presented to the Township plans for subdivision, land development, building development, improvement, rezoning request, or other plans for the use of their land in the Township, or has applied for other requisite permits or approvals from and/or has made some other request for action by the Township as described as follows:

-New Stadium Project; and

WHEREAS, the Developer has requested and/or requires Township approval and/or review of their proposed plans and/or some other action of the Township, and the Township is willing to authorize its professional consultants and/or employees to review said plans, requests, and/or proposals upon execution of this Agreement, and upon deposit of an escrow account according to the current Township Fee Schedule.

NOW, THEREFORE, the parties agree as follows:

1. The Developer and the Township hereby authorize and direct the Township's professional consultants, as defined at Section 107 of the Pennsylvania Municipalities Planning Code, to review the Developer's above-referenced plans, requests, or proposals and to make such recommendations and specifications and/or to prepare certain documents as may be necessary with respect to such plans, requests, or proposals in accordance with all applicable Township ordinances, and State and Federal rules and regulations.

2. The Developer and the Township acknowledge that the Township will incur costs and

fees relating to the review of Developer's plans, requests, and/or proposals and/or relating to the preparation of certain documents by its professional consultants and/or employees, and the Developer agrees to pay and/or reimburse the Township for such costs in accordance with this Agreement.

3. The Developer shall pay and/or reimburse the Township for the professional consultant's charges and fees for the following, AS APPLICABLE: (a) review of any and all development plans, proposals, studies, or other correspondence relating to the development; (b) attendance at any and all meetings relating to Developer's plan or proposal; (c) preparation of any studies, reports, engineered plans, review letters, maps, plans, surveys, appraisals, legal documents, ordinances, legal advertisements, or other correspondence and/or documents relating to Developer's plan, request, or proposal; and (d) any additional cost and/or expense, including but not limited to inspections, public notices, advertisements, and/or stenographer fees associated with the Developer's plan, proposal, and/or request. It is understood by the execution of this Agreement that the Developer specifically accepts the Fee Schedule currently in effect in the Township, as may be reasonably amended from time to time. Developer further agrees to reimburse the Township for administrative expenses incurred and shall therefore pay an amount equal to ten percent (10%) of the amount of all professional consultants' charges, which shall be added to the professional consultant bills.

4. The Developer hereby agrees to deposit with the Township the sum of One Thousand Five Hundred Dollars and Zero Cents ($1,500.00), payable as cash in U.S. Dollars or check drawn on a Pennsylvania bank, as security for the payment of all costs and expenses, charges, and fees as set forth in Paragraph 3 above, upon execution of this Agreement, which shall be held in an account by the Township. The Township will invoice the Developer on a monthly or more frequent basis for costs and expenses incurred. The Developer agrees to reimburse the Township within 30 days of receipt of any invoice. Interest at the rate of one and one-half percent (1.5%) per month shall be charged on all invoices which are not paid within thirty (30) days of the date of issuance of the bills by the Township. If the Developer fails to reimburse the Township in a timely manner, the Township shall collect any monies it is owed from the above deposited escrow account.

In the event that the above deposited escrow fund shall fall below fifty percent (50%) of the original deposit, the Developer shall immediately, upon receipt of written notice from the Township or its agent(s), deposit sums with the Township necessary to replenish the account to one hundred percent (100%) of its original balance. In the event that this is insufficient to pay current Township-incurred expenses, the Developer agrees to pay the total amount currently due for Township-incurred expenses without delay in addition to re-establishing the escrow account balance as set forth herein. The Township will use its best efforts to advise the Developer of the impending

likelihood that its costs have exceeded the required escrow account sums as described above.

5. The Developer and the Township agree that within 60 days of completion of the Township's review of Developer's plan, request, or proposal, the Township will return all unused portions of the escrow account as described above to the Developer.

6. In the event that the Developer fails to provide sufficient funds in the above-described revolving escrow account upon fifteen (15) days written notice to the Developer or make the initial deposit payment described above within five (5) days of the date of this Agreement, the Developer shall be in default of this Agreement.

7. The Developer may at any time terminate all further obligations under this Agreement by giving fifteen (15) days written notice to the Township that they do not desire to proceed with the plan, request, and/or proposal. The Developer shall be liable to the Township for its costs and expenses incurred to the date and time of its receipt of the notice.

8. The Developer and the Township further agree that the Township shall have the right and privilege to sue the Developer or then property owner in assumpsit for reimbursement or to lien the property or both, in its sole discretion, for any expense in excess of the then current balance of funds on deposit with the Township in accordance with this Agreement incurred by the Township by reason of any review, supervision, and inspection of Developer's request, proposal, and/or project by its professionals including, but not limited to, the Township Engineer and Solicitor. The Township's election of its remedies under this paragraph shall not constitute a waiver of any other remedies the Township may have.

9. The Developer and the Township acknowledge that this Agreement represents their full understanding as to the Township's reimbursement for professional or consultant services. Nothing in this Agreement shall guarantee that the Developer's plan, request, or proposal will be approved and/or favorably acted upon by the Township, but only that the Developer shall reimburse the Township for all costs, expenses, and professional consultant fees incurred by the Township as set forth herein.

10. This Agreement shall be binding on and inure to the benefit of the successors and assigns of the Developer. The Township shall receive thirty (30) days advance written notice from the Developer of any proposed assignment of the Developer's rights and responsibilities under this Contract for Professional Services.

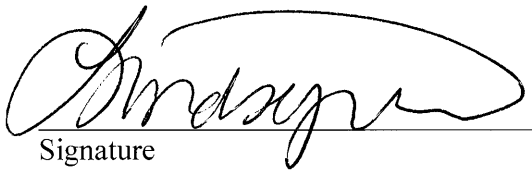

IN WITNESS WHEREOF, and intending to be legally bound, the parties have caused their signatures to be affixed and have affixed their hands and seals the day and year first above written.
