If you would like to obtain a Work Permit, the following steps will need to be completed:

1. Print out and complete both of the following forms:

- [Work Permit Certificate CDE B1-1](#)
- [OUHSD Work Permit Information](#)

Forms can also be picked up in the Counseling office.

Office Hours 8:00 - 3:00

2. Once forms are completely filled out by student, parents and the employer, they can be brought into the office. After forms have been received, grades and attendance will be checked in Aeries. If you have met the requirements, a work permit will be issued. This work permit will only be valid for the employer that is listed. If you have multiple jobs, you will need one for each job.

If your student needs to take medication during the school day, a doctor's signed authorization form must be kept on file in the attendance office. Over the counter medications, such as Tylenol or Excedrin, are not allowed on campus, and must be left in the office with doctor permission only. Anyone with unauthorized medications is in violation of the district drug policy and may face disciplinary action. Please take any necessary medications to the Attendance Office and pick up a Medication Authorization form as soon as possible.

Students not feeling well while at school are to let the teacher know so they can be sent to the attendance office where the nurse can check them or the we will contact the parent/guardian to come pick them up. To avoid texting in class, we will not send passes for sick students.

Social Emotional

SEL Wednesdays

This year we will have Social Emotional Learning (SEL) Days every Wednesday during Advisory, between 1st and 2nd period. You can find that schedule and lessons on the links below.

Daybreak

OHS is proud of our continued partnership with Daybreak Health. Daybreak provided FREE counseling services to our students through Zoom. Use the QR code below to self refer or reach out to Lena Correa at lc Correa@ouhsd.net for more information.

We are excited that the [direct referral form](#) is ready for use! This form allows students and parents to submit a referral to Daybreak directly. This can be an especially helpful access point for students that feel more comfortable raising their hand for support in this way, as well as for parents who are seeing needs from their child at home that aren't necessarily showing at school.

Around Campus

Student Store

Oroville High School Tigers, have you checked out the Student Store yet? It's your one-stop shop for all things OHS, and it's located conveniently in Room E-3, right near the office. The store is open Monday through Friday from 7:45 AM to 3:45 PM, and it's available to students before and after school, during break, and at lunch—so there's always a time to stop by!

Whether you need to request a locker, grab a replacement student ID, or gear up with some awesome OHS swag, the Student Store has you covered. You can also purchase your PE clothes, ASB Card, dance tickets, and yearbooks right here.

So what's ASB, and why should you support it?

ASB stands for Associated Student Body, and it plays a huge role in student life at Oroville High. From Homecoming and Spirit Week to grade-level competitions, dances, cultural events, and community service projects. ASB is all about making our campus a fun, inclusive, and spirited place to be.

What you get when you buy an ASB Card?

For just \$30, you get a TON of value:

- \$1 admission to all home games (that's a \$4 savings every time!)
- \$10 off your yearbook
- Discounts on dance ticket
- And best of all, you're supporting the activities that make high school memorable!

The Student Store is run with pride for students. So come by, say hi, and get what you need while supporting your Tiger community. See you in E-3, and don't forget—Fear the Roar!
