Program Information

Our lab based programming means your children will have unique and fun activities daily.

- **Challenge Lab:** Fun and intellectually stimulating games that will activate students' brainpower and competitive instincts.
- **Art Enrichment Lab:** Hands-on activities that utilize a variety of mediums to challenge students to create in new ways.
- **Physical Lab:** A wide variety of physical challenges and games that will get students moving and playing.
- **STEM Lab:** Engaging and fun activities that foster student interest in Science, Technology, Engineering, and Math.
- **Reading Lab:** Group reading of age-appropriate books led by teachers.
- **Academic Lab:** Time devoted to supporting students in completing that day's assignments.

“

"I am grateful for the care that the teachers have for my child. I love the outdoor play/physical time and creative hands on crafts/learning projects.

-Family at Project Before Preschool

"The teachers appear genuinely interested in the students' academic, social and emotional development. The weekly communication preview/recap posts and near daily photo galleries are appreciated. I'm truly impressed with the progress made in the four months we've been a part of the LE community.
