

Parents are a vital and vigorous part of our community, and they are warmly welcomed. As an independent school, Canterbury relies on its parents to support the school's mission and efforts. Canterbury was founded by parents with a vision for education, and meeting that vision is a goal today's parents still embrace.

The following events and ongoing activities are made possible each year by parents, grandparents, and friends of Canterbury. Tell us how you would like to be involved. Our goal is 100% participation!
