Plan Revised June 4, 2025***

What is Title I?

Hart County Middle School is identified as a Title I school as part of the Every Student Succeeds Act of 2015 (ESSA). Title I is designed to support state and local school reform efforts tied to challenging state academic standards in order to reinforce and enhance efforts to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support parent/family engagement. All Title I schools must jointly develop with all parents/families a written parental engagement plan.

School Plan for Shared Student Achievement

What is it? This is a plan that describes how Hart County Middle School will provide opportunities to improve parent/family engagement to support student learning. Hart County Middle School values the contributions and involvement of parents in order to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that Hart County Middle School will support parent engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

How is it revised? Hart County Middle School invited all parents to attend our Parent Input Meetings to review and revise this Parental and Family Engagement Plan, as well as the Schoolwide Plan, our School-Parent Compact, and our Title I budget, which includes our 1% Parent and Family Engagement budget. We also invited all parents to provide ideas on building staff capacity. The plan is posted on our school website for parents to view and post feedback throughout the year. We also distribute an annual survey by sending it home with students and posting it online to ask parents for their suggestions on the plan and the use of funds for family engagement. Parents and family members can also give feedback during several parent meetings and activities during the school year.

Who is it for? All students participating in the Title I, Part A program and their families are encouraged and invited to fully participate in the opportunities described in this plan. Hart County Middle School will provide full opportunity for the participation of parents with limited English, parents with disabilities, and parents of migratory children.

Where is it available? At the beginning of the year, the plan is included as an addendum to the student handbook that is given to all students. We will distribute the plan to all parents during the Annual Title I Meeting. Parents and new students can also retrieve a copy of the plan in the office or on our school website.

2025-2026 District Goals

The Hart County Charter System is committed to academic excellence. The mission of the district is to prepare all individuals to meet tomorrow's challenges by providing quality educational opportunities today. The district has set the following goals for 2025-2026:

- Students in the Hart County Charter System will demonstrate academic growth in the area of ELA (including reading, language, and writing) as measured by state and local assessments.

2025-2026 School Goals

Administrators, teachers, and parents have studied our student performance data to decide on the most important areas of improvement for our students.

School-Parent Compacts

The compacts will be reviewed and updated annually based on feedback from parents, students, and teachers during a weeklong planning session that parents, teachers, and community members are invited to attend. The school-parent compacts are kept with each child's teacher if parents need an additional copy.
