

Why should you join the Pleasant Valley Elementary PTA?

WHAT IS THE PTA?

The purpose of the PTA is to have greater involvement of parents in the school and to work beside the teachers and administration to help make Pleasant Valley Elementary an even better place for our children to learn and grow.

WHY JOIN THE PTA?

- **Your child benefits.** The main reason to join the PTA is to benefit your child. When parents get involved, their children do better. When you build a relationship with your child's teachers, principal, and office staff, it will be far easier to communicate about any problem (or success!) that occurs throughout the year.
- **Your community benefits.** PTA functions are opportunities to meet other parents and teachers, to build rapport and discuss ideas, issues and concerns that are on your mind to make the school year better for everyone.
- **The school benefits.** By getting involved at your child's school you can help make positive changes, help to financially benefit the school, and help your children further enjoy their school experience.
- **You benefit.** Volunteer work shouldn't be drudgery or a burden. We work together towards one goal, we give back to our community and we have a great time doing it.

WHAT DOES THE PTA DO?

- The PTA helps support the needs of the children and plans many events like Trunk-or-Treat and BINGO night. You may not know it, but the PTA provides reimbursements to our teachers for supplies, provides the cost of school planners and homework folders as well as supplemental money for field trips. We also work with YOU to coordinate volunteers to help with school events such as the PBIS reward activities, literacy night and more.

IF I VOLUNTEER, IS IT A LOT OF WORK?

- While many hands make light work, participation in every meeting or event is not at all required. If you can come to a meeting or two throughout the year, please do! Children are always welcome. If you can help with only one event, please do!
