

# MEDICAL ASSISTING PROGRAM

## Start a new career in healthcare!

The Medical Assisting Program prepares students for entry-level positions in the medical field. Front office training includes written & oral communication, office management, appointment scheduling, and basic computer applications training. Clinical training includes anatomy & physiology, patient assessment, clinical vein-puncture, and medication administration as directed by a physician.

## Training Includes:

- Medical Terminology
- Administrative & Clinical Practices
- BLS (Basic Life Support) Certification
- Positive work ethic and the keys to success in the workplace

**Locations: Los Banos & Merced**
