Where every student is important.

August 10, 2025

Sabine ISD Family,

Welcome back! I hope your summer was a great one. Tomorrow, August 12th, is the first day of school and we are excited to get started. I am grateful for our administrators, teachers and staff who help make Sabine ISD the school of choice in East Texas and the entire state. We have added some new staff to the district and we welcome them to the Cardinal Nation. It is our desire to provide our students with a first-class educational experience in every way. We continue to seek ways to improve the overall quality of our district and its many components.

First, thank you to all of our parents and guardians who came to the various campuses last Thursday evening for our annual Meet the Teacher event. We appreciate your time and effort to come and visit with our staff. Our partnership in education is vital to the success of our students. We welcome your feedback and we look to serve you in the best way possible.

Second, please contact us whenever you feel the need. Whether its to bring something to our attention or simply to pass along some good news, we welcome the opportunity to visit with you. The better we communicate, the more equipped we are to serve.

Finally, we know that each year brings with it new challenges. It is our goal to help your child succeed. As these challenges arise, reach out and let us know. We seek to operate in a proactive manner in every aspect of our district.

We look forward to continued success in every area of Sabine ISD. Thank you to everyone who helps, volunteers or simply cheers us on. Your involvement can be directly attributed to our success.

Have a great 2025-2026. Go Cardinals.

Monty Pepper- Superintendent of Schools

Sabine ISD
