

Hey Awesome 4th Graders (and Families)!

I can hardly wait to be your 4th grade teacher this year! We are going to have so much fun learning, exploring, and growing together. You are already an important part of our classroom family.

This year, we'll dig into cool science experiments, read stories that will spark your imagination, stretch our math brains, and travel through Utah history. We'll cheer each other on, celebrate every success (big or small), and create so many great memories along the way.

Fourth grade is such a big and exciting year you'll be amazed at how much you'll learn and how much you'll grow. My goal is to make sure our classroom feels like a safe, happy place where you can try new things, be yourself, and have fun while learning.

I'm so excited to meet each of you, hear your stories, and get started on this amazing year together. Get ready, 4th grade is going to be awesome!

See you soon!

Mrs. Colvell
