

MRS. BEHRMAN

Welcome, I am so happy to have the opportunity to get to know your teenager. We have a lot of fun in Engineering. The class is mostly project based so your teenager will have the opportunity to design and build fun items in the class.

MY BACKGROUND

I was a sub for three years before I decided to get my teaching license. This is my third year teaching Engineering at West. I am currently getting my Masters.

4 FACTS ABOUT ME

1. I run Mesa Club after school and welcome all students to join.
2. I have hosted students from Brazil, Britain, and Russia.
3. I love helping students learn and grow.
4. My family is my everything.

A FEW OF MY FAVORITE THINGS!

Family, reading, paddle boarding, camping, skiing, & traveling
