

Dear Parents and Guardians,

My name is Kay Barrett (Ms. Kay) and I am thrilled to be joining the Parleys Park Elementary team as a Special Education teacher this year. I have had the privilege of teaching in both the Memphis City and Salt Lake City School Districts, and I am excited to bring my experience and passion for supporting students to this wonderful community.

Park City has been my home for the past 30 years, and it holds a very special place in my heart. I am married, and our family also includes two adventurous cats who enjoy camping and hiking right alongside us. Outside of school, you'll often find me mountain biking, hiking, skiing (both cross-country and downhill), and exploring the backcountry in all seasons.

I look forward to working together to help your child grow academically, socially, and emotionally. My goal is to create a supportive, inclusive learning environment where every student feels valued and confident in their abilities.

I am excited for the year ahead and can't wait to get to know each of you and your children. Please feel free to reach out to me at any time. I believe strong communication between home and school is the foundation for student success.

Warm regards,
Kay Barrett
Special Education Teacher
