2025-2026 KINKAID MIDDLE SCHOOL UNIFORM

The purpose of The Kinkaid School uniform is to ensure a climate conducive to learning and to avoid fashion competition. The uniform also encourages a sense of belonging and a shared identity for all Middle School students. Except for special occasions announced in advance, students are expected to be in the proper dress code when school is in session. School uniforms must be purchased from FlynnO'Hara School Uniforms or acquired through the Nook uniform donations. All parts of the uniform must be kept in good condition without stains or tears. Kinkaid reserves the right to final opinion as to the appropriateness of any specific clothing or fashion for school.

Uniform Guidelines for All Students

Name Labels: All attire should be labeled with the student's name on the inside of the clothing.

Skirt and Short Length**:** Skirts or shorts should fall no higher than 3 inches above the knee. Parents will be contacted if a student does not have clothing of the proper length.

Lower School Skorts**:** Students entering Middle School are allowed to wear skorts from Lower School.

Winter Wear: Only Kinkaid outerwear (jackets, sweatshirts, etc) purchased from FlynnO'Hara Uniforms or the School may be worn inside school buildings. Any other school-appropriate outerwear can be worn outside.

Dress Uniform Dates

On Wednesdays, students will wear their dress uniforms, particularly when the middle school gathers for a KMS assembly. Due to the weather, dress uniforms are typically not required to be worn until mid-October. Additionally, there may be days in the final weeks of school when students will not be required to wear dress uniforms. The School may also have special events throughout the year that warrant dress uniforms. Those dates will be communicated with as much notice as possible.

Community Dress

On most Fridays, students are permitted to wear Community Dress. The expectations for Community Dress include a Kinkaid shirt along with uniform bottoms, jeans, or leggings. Some of these days center around a particular theme and students are expected to follow the thematic guidelines or wear their regular school uniform. Refer to the Community Dress guidelines for what is considered appropriate attire for these occasions.
