

Hazardous Routes

2025-2026

Lake Dallas ISD

Goals

1. State requires School Board approval.
2. Identify hazardous routes.

Hazardous Conditions

1. High traffic roads with no crossing guards.
2. Walking along or across a freeway or expressway, an underpass or a bridge.
3. An uncontrolled major traffic artery.
4. Students must walk through an industrial area or construction site.
5. Crossing a railroad track.

TEA Basis for Funding

1. Not more than 10% above the total allotment for regular transportation may be funded under hazardous.
2. Per mile allotment is \$1.25.

Action Requested

1. Recommended that hazardous routes be approved.
2. Our children deserve we err on the side of safety.

Changes for 2025-2026

1. Changes were made to bus stop locations
 - a. Students are no longer in the area due to grade advancements.
 - b. Stop adjustments to secondary routes to improve run times.
2. Adjustments to designated hazardous areas
 - a. Ashford Park added to Lake Dallas High School and Corinth Elementary School

b. Falcon Place added to Shady Shores Elementary School
