

Dance I-IV Performance Ensemble I-IV Syllabus

Course Description/Goals:

This is a select group of students who perform at community and athletic events demonstrating their dance techniques.

In Drill Team I, students receive .5 Physical Education credit and 1 Fine Arts credit. The Physical Education credit will be awarded on a Pass/Fail basis for the fall semester and is given for outside of school participation.

Course TEKS/Objectives:

Drill Team I is a performance based class. Through the study of multiple dance styles such as ballet, jazz, modern, and cultural dance, students will develop technical skills, kinesthetic awareness, and expressive abilities. This course emphasizes creative movement, choreography, performance, and dance appreciation, while also integrating health, anatomy, and fitness principles to support lifelong movement practices. Students will engage in teamwork, discipline, personal reflection, and collaboration as they learn to analyze, perform, and create dance works. This course fulfills the Fine Arts requirement for graduation and aligns with the Texas Essential Knowledge and Skills (TEKS) for Dance Level I.
