

Welcome to your senior year class of 2026!

Mrs. Granitto will be visiting during homeroom to review information with you all throughout the year:

- Make sure to join Mrs. Granitto's Class of '26 Google Classroom if you didn't last year. This will be used to share important information and documents. Parents are encouraged to join as well. Please let me know if you need an invitation sent.
- Check your email DAILY! Make it a habit!
- Many of you have applied to colleges/universities already! Great job! We will be meeting individually this Fall to go over your plans for post-graduation. College is not the only option!
- Information will be coming about filling out the FAFSA which is required to receive financial aid for college and used in determining scholarship amounts.
- College visits (representatives visiting us) will be held in College and Career readiness class and will be announced on morning announcements. Sign up to attend in the guidance office.
- College visits- you are allowed three days this year to visit colleges; make sure to tell Mrs. Granitto when you have one scheduled so you are not marked absent.
- If you are working towards an Honors diploma or Valedictorian/Salutatorian, please stop in the Guidance office regularly throughout the year to monitor your progress towards this goal.
- ACT- if you would like to take the ACT again, see Mrs. Granitto for help registering!
- Keep track of your volunteer work, clubs, sports, etc. as we will be tracking this for graduation seals, etc.
