

PARENT BULLETIN

2025-2026

Issue 1

Welcome to another year at Stebbins High School!

A message from Principal Tina Simpson:

Welcome to the 2025-2026 School Year! I am looking forward to working with you and your student this year!

This Parent Bulletin is full of information about the start of school, policies, procedures, dates/schedules and important things to know before school starts. One of the most important things we address in this Bulletin is **communication**. We communicate with families through mail, phone calls, email and social media. **Please make sure you have all OneView paperwork filled out and all phone numbers, emails and addresses are up to date.** All returning families are sent an email from madriv-er@esvmail.com with a link to the online paperwork.

Communicating and partnering with our parents and guardians is vital to student success. Please make sure you check **Progress Book** regularly and have it linked to your email so you will receive grade and assignment updates. Email is one of the number one forms of communication we use to communicate with families and students. It is expected that all students log into their student email every day and check for communication from their teachers, administration, counselors, and building secretaries. Our district uses **ParentSquare** as a tool for mass communication. Please be sure to download the App and set up your account.

Another way we can partner is through our Stebbins PTO. I would love for you to be part of this wonderful team. Please join the Stebbins High School PTO Facebook page to learn more about meeting dates and event information.

We will continue to hold high expectations for our students in the areas of academics and behavior. Our behavior expectations are: Be Respectful, Be Responsible, and Show Pride. We will continue to celebrate the students that show these behaviors and help make Stebbins a positive place to learn. Homecoming is October 4th, and students that display and follow the behavior expectations are sure to have an amazing time at the parade, game and dance. Those that have not followed these expectations and have received an administrative consequence, will not be allowed to attend Homecoming activities.

At the beginning of this school year, all students will be issued a school laptop that they will use daily at school and at home. We will continue to use Canvas as a learning platform.

We will continue to have our Wednesday 2 hour early releases this year, starting Wed. September 10. Our teachers benefit from Professional Learning Time and our students benefit in the classroom from this time given to our staff to learn, develop and refine instructional strategies.

Our building start time is 7:30 a.m. Students must to be in the building by 7:20 in order to get their materials and get into their first period class by 7:30. Traffic in the morning can be congested. If you drop your child off or they drive themselves; plan for the extra time needed during arrival to school. We have included a map of the traffic flow for drop off and pick up.

I look forward to partnering with you and look forward to having an amazing 2025-2026 school year!!

WORK PERMITS

The State of Ohio requires minors under the age of 18 to obtain a work permit to be employed. Work permit applications can be obtained on the Stebbins website under the "For Students" tab, or they can be picked up from the Stebbins office.

The minor and their parent fill out the top portion of the work permit application and the employer fills out the bottom portion. That form, along with the physician statement, should be turned back in to Stebbins for processing. If you have questions please contact Lauren Woehl at:

lauren.woehl@madriverschools.org

FAQ

Q: Can the school revoke my work permit?

A: Yes, a work permit is a privilege that can be revoked if Administration determines it is interfering with a student's ability to meet graduation requirements.

Q: Do I need a new work permit if I change jobs?

A: Yes, each work permit is specific to the employer. Anytime a student changes places of employment, they will need to fill out a new permit application. Physicals are valid for one year, however.

Q: Do I need a physician form if I play sports at Stebbins?

A: If you have a sports physical on file with the school that is less than 1 year old, that can be used in place of the physician statement. The student should contact athletics for a copy of their physical prior to turning their work permit in to the Stebbins main office.

The most up-to-date laws and forms can be accessed by minors, parents, and employers at www.ohio.gov under the "Find Forms and Publications" box—select *Industrial Compliance, Wage Hour—Minor Labor*.
