

Fathers Club Update

August 2025

As President of the Villa Maria Academy Fathers' Club, I'm thrilled to welcome everyone back for another exciting school year! In support of the VMAPA, we have an incredible calendar of events planned to support our daughters, build camaraderie among families, and deepen our connection to the Villa Community. From our signature Father-Daughter events to service projects, volunteer events, and social gatherings, this year promises meaningful moments and lasting memories. We are especially excited to launch new initiatives that strengthen our relationships, leadership, and family engagement. Whether you are a returning dad or new to the club, there's a place for you to get involved. Here's to a year filled with purpose, pride, and plenty of fun!

If you would like to learn more about the Fathers Club, please reach out to me at:
